Hello Tabatha,

I am running for Mason County Fire District commissioner pos. 2. I have looked over the complaint and the attachments. At this time I don't know that I have done anything wrong. The fellow, Jeff Britig, has been harassing the fire dept. and its personnel since he was let go back in January of 2019. If any of the accusations are valid, I surely didn't know at the time. Please respond back, thanks for your time. My cell phone is 360-490-1906, or email is fine too.
