Hello,

I've reviewed the attached complaint and find that all it does is point to the fact that I have indeed filed these expenditures. It also seems to be that Mr. Morgan is more interested in rousing ill will and division, and not in actual assisting candidates in improving campaign disclosures.

You will find C-4s filed listing expenditures for yard signs, doorbelling cards, and under debt, soon to be paid expenditures for mailers and additional cards on the PDC as well as in my database.

If you need anything else, please let me know.

Best,

Kevin Schilling
