Hello,

In response to the alleged violation. A friend of mine did file the report on time but did not push the correct button to send the report. Since we have gone back into ORCA and ensured that we filed both C3 and C4s correctly. I am an advocate for complete transparency and accept full responsibility for this oversight. I apologize to those individuals that I've created confusion or more work for because of this error. I am sincerely grateful this was brought to my attention and ensure that it will never be overlooked again. Thank you for your help.!

Respectfully,

Scott Whelpley
