

PDC Enforcement Case #59569

November 14, 2019

RE: Mia Su-Ling Gregerson

Dear PDC,

Below is my response to a Glen Morgan complaint dated Thursday, 31 Oct 2019

The funds were transferred out of the 2018 People for Mia Campaign account and put in to a surplus account. There was a check written out of this surplus account for \$10,000.00 to HDCC on 12/10/18. My treasurer is in the process of filing an expenditure report (C4) with the PDC for 12/2018. Part of this process is to obtain an access code to upload the surplus account for filing this report. The process should be done by the end of this week.

Thank you for the opportunity to respond to the alleged allegations.

I will work diligently to make any further corrections that are needed. Please let me know if you have any further questions or concerns.

Warm regards,  
Mia Su-Ling Gregerson
