Hi Mike,

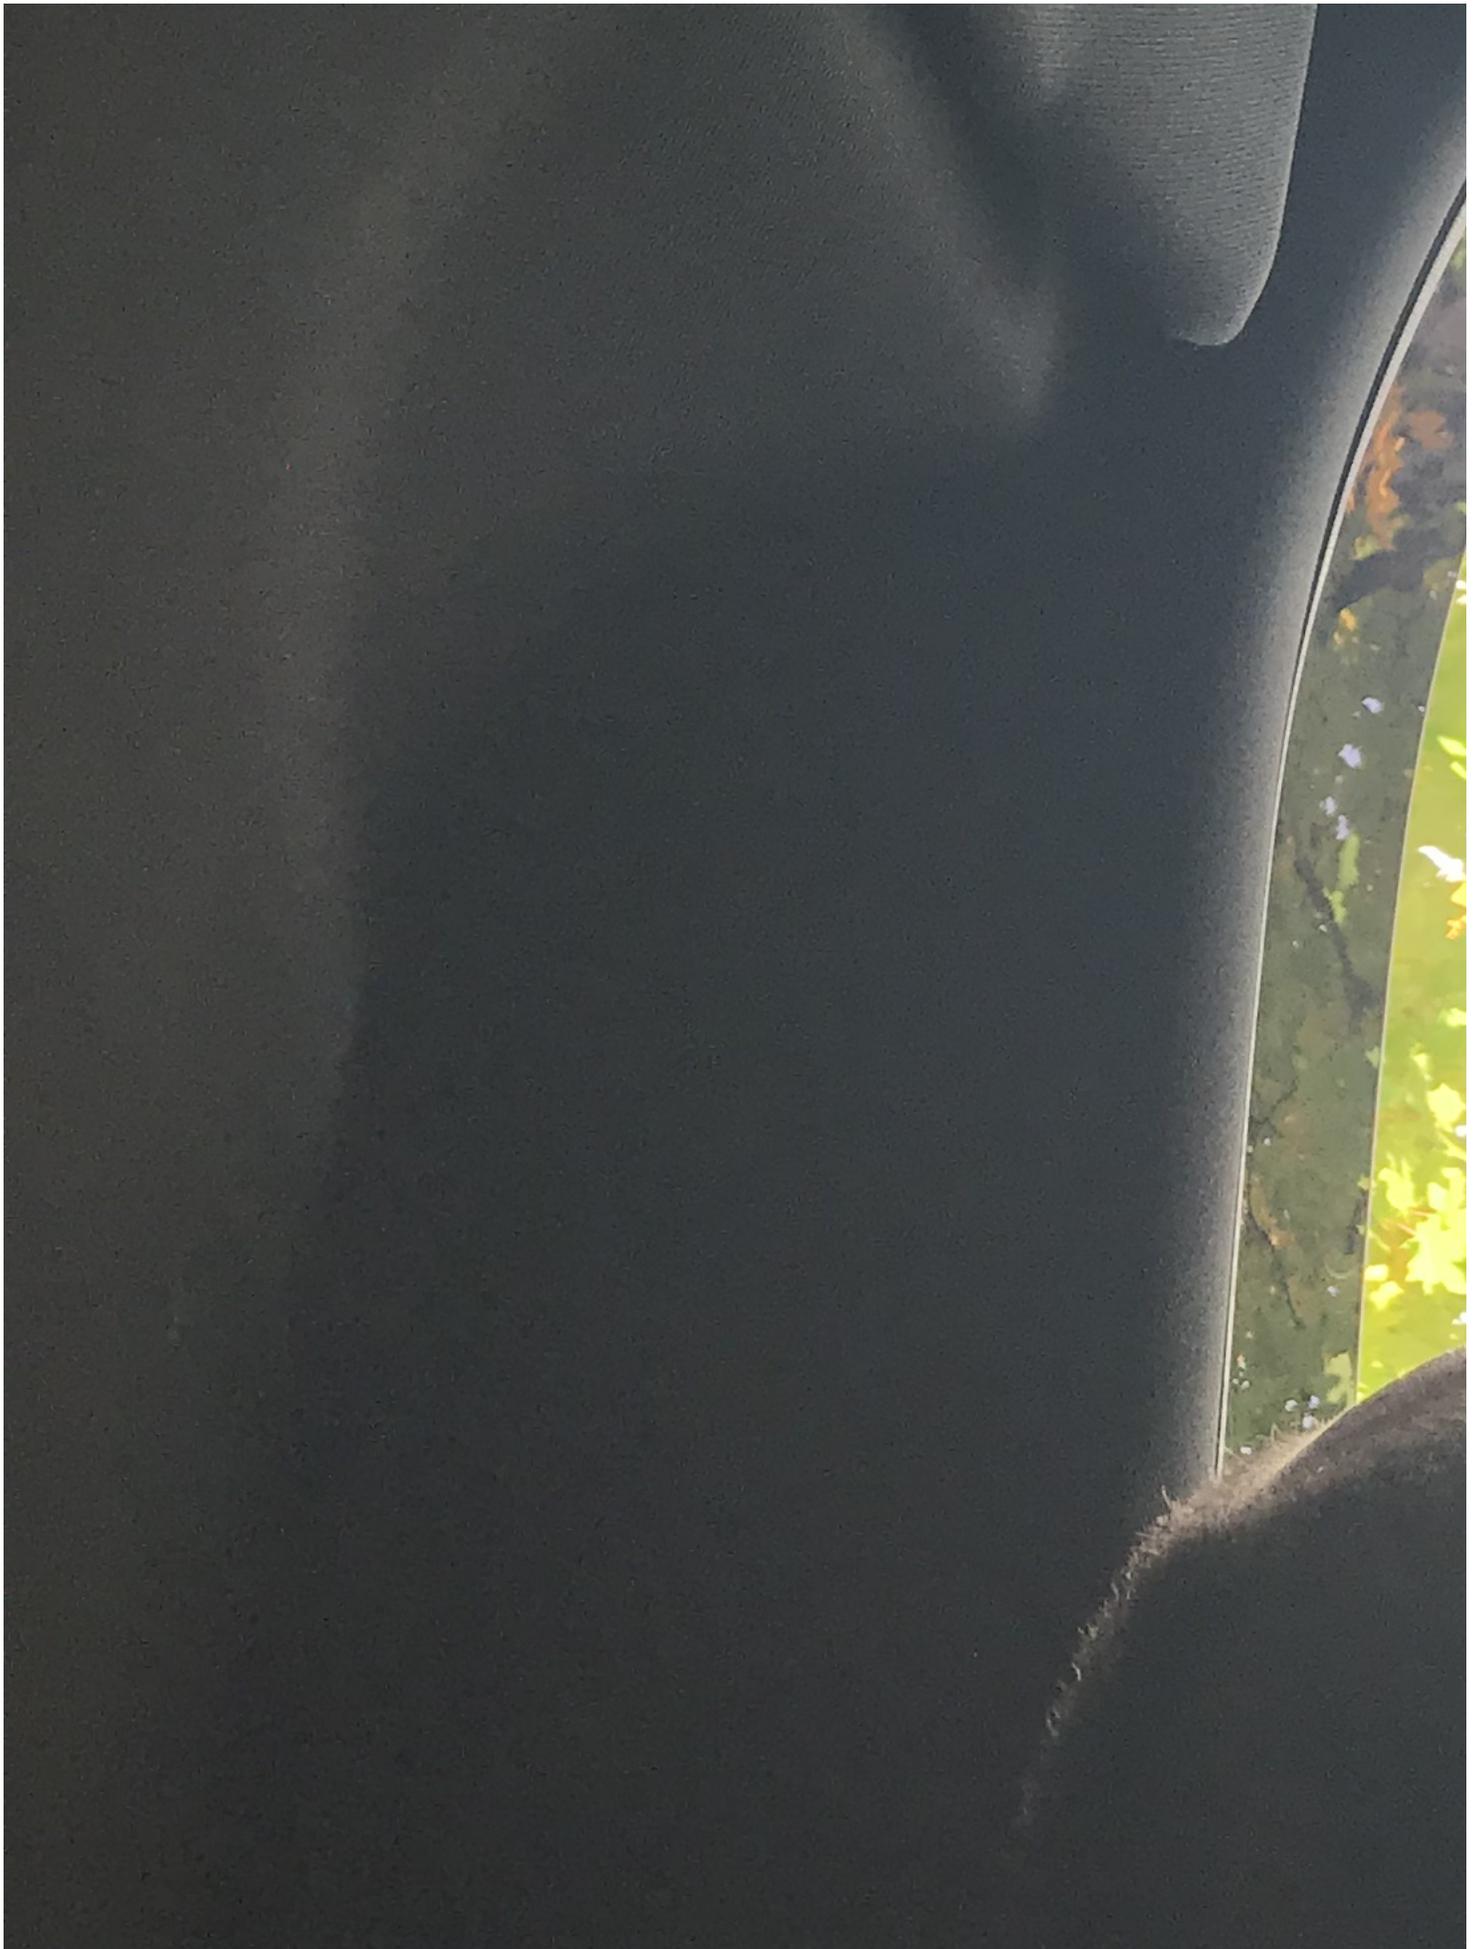

Thanks for taking me on the ride along last weekend and for the great discussion on the important work of our KPD. I learned a lot and look forward to continuing the conversation in the future. Here are a few pics. My son Vinny thought they were all so cool, especially the video you took with the siren 🚓

Thanks again,
Amy

Perfect! Yes just come to the front lobby and shoot me a text when you arrive. I will have a waiver for you to fill out but that's it! It might be chilly so just dress for be weather.

11am on Sunday works great 🙌 Should I meet you at the Justice Center? Anything else I need to know beforehand?

Thanks!

Well, the early morning can tend to be slower at times though.

Just let me know!

Hi Mike - This Sunday, 10/13 works for me! What time did you have in mind?

Thanks,

Good afternoon Amy!

Does either 10/13, 10/18, 10/19, 10/20 work for you to come out and ride for a few hours? I will also be at the touch a truck event tomorrow if you will be around for that!

Please let me know if any of those dates work!

Let me find some dates where I don't have a trainee on board and I'll send them over to you! I currently work Thursday - Sunday 06:30am to 4:30 pm. The rides are typically around 4 hours, but are flexible with what works with you!

Thanks Mike. That sounds great to ride along with you on your day shift (but could do swing/night if that worked better on your end). Can you remind me of the day shift hours, and is the ride along the whole shift or part? I'm flexible, but that would help narrow down best days and childcare plans on my end.

Thanks again,
Amy

Amy,

Thank you again for your time and willingness to serve/support the city! Was a pleasure meeting with you and would love to have you out on a Ride along in the near future. Do you have a preference of day/swing/night? Russ and I both work days and would be able to coordinate an available time to work for you for sure if you would prefer to ride with one of us!

Thank you again!

Mike

Good Morning Gentlemen,

Thank you for meeting with me this morning. I appreciate you taking the time to share about the important work of the KPD, and I hope to continue the conversation in the future. I'd love to take you up on your offer of a ride along sometime, to learn more about your work firsthand. Please let me know how it works to set that up.

Thanks again,

Amy
