Ms.Blacksmith,

I'm just following up with additional information in addition to what my colleague Shannon Murphy sent yesterday. We attempted to include as much information as possible in the description section while amending our C6 forms but we ran into technical issues when doing so.

The C6 form Description field is limited to 28 characters so we entered what we could but the 28 character limit restricted how much we could enter and I was not able to enter, as an example, 12,854 Pieces of Mail, \$5,655.76 Direct Mail Fee, \$2,831.06 Postage, \$233 Sales Tax.

We entered information in the Memo section of the C4 as a workaround to the character limit, but there was no apparent workaround in the C6 form. Please let us know how we should address this issue.

Thank you,

Sean Pender
