Hi Tabitha,

Regarding PDC Case Number **60094**.

I apologize for not having filed all my paperwork for the write-in candidacy.  
I was scheduled for a Right C5/C6 Cervical Laminoforaminotomy (neck) surgery on Oct. 16th. I am still in the last 2 weeks of recovery.  
I did not raise any money. I spent \$513.23 of my own money for 150 last-minute signs I purchased. I can send a copy of the email for your records if you wish.  
I had surgery on my mind, not campaigning.  
I apologize for any confusion this may have brought to some.

Sincerely,

Melissa Smith
