*Bob is a lifetime resident of the City of Richland and cares deeply about the future of our city.*

- Saved Richland Citizens over 202 million dollars on electric rates
- Appointed by the Energy Secretary to the Environmental Management Board
- Chairman, Hanford Communities
- Member of Hanford National Park Committee
- Past Chairman of the Energy Communities Alliance
- 24 years on Council and elected Mayor four separate occasions
- Fought for expansion of the By-Pass Highway and Sound Wall
- Involved in numerous local community service projects

Bob was born and raised in Richland, where he graduated from Richland High School in 1974, then in 1978 he received his B.A. of political science from WSU. He then graduated with a Doctorate of Law from Willamette University in 1982.

*During my years of public service, I have never accepted campaign donations because it is important to avoid even the appearance of partiality and the impact of donations on independent decision making. I am decisive by nature—a trait honed by extensive litigation experience. Sound, timely decisions benefit all parties when it comes to decisions for the council, and the city. I will continue to provide sensible advice and counsel on city projects and policies with an eye toward keeping money in citizen's pockets rather than unnecessary expenses. I am not single issue oriented and believe my decision making abilities must remain independent.*

*It is your town, your values and your future. I ask for your support. -Bob Thompson*

**Endorsed by all Tri-Cities Mayors, all Benton County Commissioners and The Republican Party**

**Bob and children born and raised in Richland**
