Mr. Blackhorn,

Thank you again for bringing this to my attention. I Would like to work with you for a prompt resolution. I was able to do some research into this matter today and in reviewing payment receipts from the WA Secretary of State's Office dated November 24, 2017, I now believe that I inadvertently used a Mastercard linked to my surplus campaign account to pay for the initial filing fee for Pac Rim Bridges LLC. I have an almost identical personal Mastercard and I mistakenly used the wrong card to pay for this initial filing fee. This was an isolated event and in future filings with the Secretary of State's Office, I used my personal credit card for all subsequent filing fees for Pac Rim Bridges LLC.

How can I rectify this matter? The account in question has been closed for over a year. Please advise. Thank you very much for your assistance in this matter.

Best regards,
Jay Rodne
