Sirs,

Forgot to include my personal cell number (509)761-0816

ALSO

I received a response from Othello School District's Thalia DeLeon Lemus regarding my first request for a copy of a Facilities Use Agreement at 8:31 P.M Friday 11/22/2019- roughly 2 hours after I filed our complaint.

She informs us that there is no FUA for Tony Ashton and the OSD. We thought not, but wanted to confirm whether the district rented the facilities out on a specific day, or simply gifted the use of the facilities.

Will forward that communication to you,

Sean

### What impact does the alleged violation(s) have on the public?

The use of School District facilities to film a campaign video violates the public's Civic Virtue. School District Administrator and a sitting Board Member authorized the use of the facility to aid a campaign for office in violation of School District Operating Policies. The candidate has advised that it is fair use if other candidates have equal access, however he neglected to inform members of public that such use is precluded by district policy and state law
