Many of you may have noticed a new Facebook page and website created recently called "Dupont Fighting Back" that is being used to target DuPont citizens with unverified statements. This page has also been sharing other recently created pages relating to DuPont. While these pages claim to have been created by various DuPont citizens, they all have very similar content and writing style.

In a recent post on "Dupont Fighting Back", Dave Maestas unexpectedly revealed himself to be the admin of that page in a back&forth discussion with another Facebook user who has revealed that he is not using his real name since he is a LEO, which likely means Law Enforcement Officer. The discussion that led up to this is in the comments of this post. This discussion thread has since been removed from public view. If you are one of the citizens that has been targeted, please report it to Facebook and/or to your local authorities.

Tetyana Burnett I'm confuzzled (confused and puzzled), as my kids say. Is our current mayor a green beret or a ranger? I don't understand why this "investigative journalist" is trying to rally this specific group to support Mike Courts. I can't seem to be able to connect the dots. I can't imagine many in the local special forces community supporting this type of campaigning.

Alana Bullis Meredyth Leigh is correct; there is absolutely a difference. I posed the question regarding this issue last night to the Mayor's re-election page. I don't see where he's yet responded. I hope the Mayor is not implying or representing that he was a Ranger if he wasn't. Not only would that be a credibility concern for DuPont citizens, it may also violate the Stolen Valor Act of 2013 because the benefits he is seeking to receive are election support and votes from Rangers/Special Forces and military retirees, such as my husband. I do hope that the Mayor steps forward and puts this matter to rest. For those who are interested or who have joined in the debate re: #Rangergate, rather than speculate, I personally asked Mayor Courts about his status as a Ranger.

The bottom line is that Mr. Courts was *detailed* as an aviation officer to the 2/75th Ranger Battalion, but did not graduate from the Army Ranger School, and thus, is not a Ranger.

While Mr. Courts states that the Army Rangers/SF posting was incorrect, the fact that Mr. Courts *Liked* the post, but did not publicly correct the error, is "confuzzling."

I appreciate that Mr. Courts took the time to respond to my questions.

The screenshot shows a Facebook post on the page "Re-Elect Mayor Mike Courts". The post is from user "AK Bullis" and contains the text from the previous blocks. The post has 14 reactions (thumbs up, surprised face, and laughing face) and 13 comments. The page header includes "Re-Elect Mayor Mike Courts" and navigation options like "Home", "Feed", "Friends", "Create". The left sidebar shows the page's profile picture and name "Re-Elect Mayor Mike Courts" with a bio "@mikescourtformayor". The right sidebar shows "Community" and "About" sections. The "About" section lists "Mayor" and "Running for Election" information.

Ben McMullan Well don't be making claims implying you were a Ranger when you weren't, and people who know the difference won't call you on your bs in a public forum. It's garbage that he's using the fact that people generally don't know the details on something to make himself look like a stud.

JB Handy Norris It's rather unfortunate in a community where so many citizens understand military structure and its varied career fields that the mayor appears to have let an outsider's claim that he is a 2/75 Ranger go uncorrected for 12 days until one of our citizens went to the source to clarify the issue.

Meanwhile, plan to attend Ron's Rally tomorrow at 2pm at the FOB. DuPont clearly needs new leadership.

There is a new sight called "Families Fighting for DuPont" that has gone up on FB. This is not a site established by myself or anyone associated with my campaign. I do not condone the message and denounce this site. I recommend avoiding it. Although the site targets my opponent, it does so in a manner that is inappropriate and does not reflect my values or intent. Earlier today someone cloned Mr. David Maestas' identity and began posting messages on the City of DuPont FB page. FB was notified and the messages were taken down. Although Mr. Maestas is not associated with my campaign, he did interview me for a series of articles on DiscoverDuPont. There has been a moniker "Jeffery Ballard" active on FB in DuPont for a few years. We believe this is a false name for someone desiring to post information without revealing their identity. This is the same identity that cloned Mr. Maestas earlier today.

AK Bullis Mayor Courts:

Thank you for alerting us to the FB site "Families Fighting for DuPont." I am very appreciative that you do not condone the messages attacking your opponent and I applaud your willingness in denouncing the site.

I feel the need to bring other FB sites that mirror the messages contained on "Families Fighting for DuPont." These sites are as follows:

Army Rangers / SF Green Beret
<https://www.facebook.com/RangersandSF/>

Dupont Fighting Back
<https://www.facebook.com/DupontFightingBack/>
also see: <https://dupontfightingback.com/>

I have noted that you have accepted the support of Army Rangers / SF Green Berets with respect to your re-election campaign (Pic 1).

Additionally, when there was a question regarding your status as an Army Ranger, Army Rangers / SF Green Berets asserted that you were indeed an Army Ranger because it had viewed your Officer Evaluation Reports (since deleted on the page) (Pic 2).

Based upon the statement by Army Rangers / SF Green Berets that your OERs have been made available to, presumably, the admin of the page, then you should know the identity of that person. Recently, I have obtained evidence which identifies the admin of the Army Rangers / SF Green Berets as the same individual who

authors the posts on the Dupont Fighting Back site.

In the past few days, private citizens of DuPont have posted comments to your re-election page, which is their fundamental right under the First Amendment. Not long thereafter, these citizens are immediately blasted as trolls on the <https://dupontfightingback.com/> page, along with published photos of them lifted from their FB pages. They are also implicitly threatened with a libel lawsuit, purportedly on behalf of a Mr. Dave Maestas.

As a citizen of DuPont and a registered voter of this state, I find the foregoing conduct absolutely appalling. I ask that you review your obligations under the Fair Campaign Practices Code, WAC 390-32-010, specifically, subsections (3), (4), (6), and (7); and put a stop to this vile and unfair practice by one of your supporters. A person who does not reside in DuPont should not be permitted to cause divisiveness in DuPont by inflammatory posts attacking DuPont citizens.

In the event that Mr. Maestas desires to sue me for libel, please feel free to provide him with my full name and address so that he may effect service of process on me. The City has my relevant information.

I appreciate your declared desire to run a respectable election, and while you are my neighbor, we do not know each other, but I trust that you are sincere with your words. Thank you for your attention to this matter.

You would think they would stop their endless trolling but it only seems that Ron's known trolls can't stop themselves. Is this a mental health issue? Ron's people are clearly "crazy-cray!"

Enter Krista. I think we have all seen her endless trolling. She has taken it one step further with her libel on... wait for it... guess who...

Yep, you guessed it, Ron's public enemy number one, the author at Discover Dupont. Why do they do this? Well, they don't know who else to blame for their loss of a firm grip on social media to threaten anyone who crosses their agenda. We certainly are not announcing our names anytime soon. You can see what happens when you speak the truth about Ron and his trollies. You get slandered, they post your address so that people may take action against you. These trolls could care less about Dupont but most importantly, the people of Dupont. If you are a citizen and dislike Ron destroying our city, you can bet that they will be on the front lines to destroy you as well. They will try and run you out of Dupont. You will never be safe.

If Ron wins, you lose your freedom as an American. The ability of free speech. That is not who Dupont needs in charge.

See Krista libeling Dave on the mayor's Facebook pages. It's so disgusting. I don't know what you do for a job Krista but I wouldn't want to work with some with such an ugly personality. News flash. Dave or anyone in the mayor's side doesn't own us. So your constant trolling on the mayor only demonstrates more who you and Ron's people are.

Clear proof of libel. I hope Dave gets a lawyer soon. Slam dunk case!

So illegal!

Another day. Another day of Ron trolls libeling others. What did you expect after seeing them do this for over a year now?

Enter [Maria Gudaitis, a known Ron troll](#).

On Mayor Courts' facebook page she has willingly committed libel on Dave Maestas who interviews the mayor and exposed the truth about Ron and his crony trolls. You will see trolls like Maria on his page yet you will never see her ask Ron to stop their trolling and unethical behavior. Why Maria? It's fairly simple. You are a troll for Ron. Everyone already knows it though.

The mayor, Dave nor anyone else within this great city of ours is going to get us to stop. None of you Ron trolls will. We are telling the truth about you and if you would like to dispute it, stop your trolling. Demand that Ron does also on his Facebook pages. Demand that Ron's people stop creating fake pages and profiles of people to deceive Dupont voters. Start with that dear Maria.

Proven libel right here. I hope that Dave takes action! These very illegal attacks are exactly who Ron and his people are and if you write anything about them, you will be attacked as well. For the record, we asked Dave for comment (repeatedly) yet he will not respond to us.

For the record as well, Jeffrey Ballard attacked only the mayor. Who do you think he was paid by? Good riddance. What will Ron's people do now? You can bet that they will create more fake accounts to also libel others and lie about the Mayor. At least Maria admits who Jeffrey was unwittingly. Thanks for confirming that!

Imagine what will happen if Ron and his trolls control our beautiful city! Do you think it will end? What will happen if you criticize them destroying our beautiful city. They will attack you too! Leftists always do.

Army Rangers / SF Green Berets Hey Lee. Maybe you can explain why your son is slandering Veterans on your Facebook page. Moreover, why does he hide that he owns it. Your election is screwed if you intend to slander Veterans! Though we know he controls this page to promote your agenda.

Phil Chase Army Rangers / SF Green Berets before you attempt to slander me or my family any more I'd just like to say that where ever you got your intel from that it is faulty. If you want to meetup sometime, I'll buy you a coffee or beer, I'm more than willing to talk to you and am more than willing to let you see my facebook account information at that time. I've got nothing to hide.

Army Rangers / SF Green Berets Phil Chase Nice try. One of your very own friends told us everything. Accidently of course. After that several more came forward also. You're busted. Now you are a liar and a slanderer of Veterans. Why is your dad using you for social media at this point? Most people would be fired for what you did. But I guess because you are family... Much more coming Phil. Did you show daddy what you were doing?

Army Rangers / SF Green Berets Nope.
Since your son manages your social media and he has no qualms about slandering Veterans, we can only imagine that you fully endorse his antics. Will you apologize to Veterans Lee? These kinds of scandals ruin campaigns. Surely you are better than this.

Army Rangers / SF Green Berets Maybe at one of the next public meetings you can stand up and make a public apology to Veterans since your son manages your social media and he has no qualms about slandering Veterans. Can you do that Lee? Will you do it? #WakeUpDupont

How despicable have Ron's people become?

First, the only thing that we have written about are absolute truths AND we have shown the evidence.

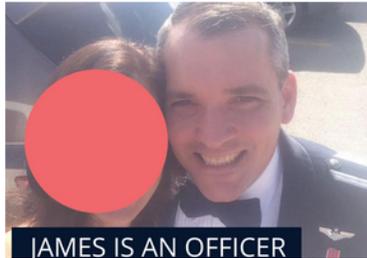

Enter James Marlowe. Not sure if he is active duty or not but he went on our Facebook page and tried to call the Mayor a "Proud Boy" (see photo).

If you aren't aware of what the proud boys are, they are a far right organization that leftists attempted to claim are racists or white nationalists. The FBI has investigated and specifically has stated that they are not such.

So for James Marlowe, a military officer to go on social media and make such an irresponsible claim is beyond unbecoming. It is plain disgusting and a disgrace to the uniform.

Maybe James can publish a public apology to the Mayor but a copy of this article will be sent to JBLM for their thoughts and comments that their officers seem to have issues with integrity.

Make no mistake, a vote for "Leftist Ron" is a vote for leftist progressives. Even Mike Brown, his West Point endorser is a die hard leftist. Everything starting to make sense now? Does Brown have something against Jews? His joke isn't funny. Why make a joke about not being Jewish which makes you believe that you have privilege?

Why does Michael Brown think making jokes about being Jewish is funny? As a West Point guy, surely he must have known that making jokes about being Jewish is completely unacceptable. "Leftist Ron" has yet to disavow him despite seeing this. Of course, Leftist Ron has yet to take responsibility for anything that people have reported on. That's not leadership.
