Public Disclosure Commission Staff,

In accordance with RCW 42.17A.755(1) and RCW 42.17A.775, I would like to bring to your attention systematic violations of the Fair Campaign Practices Act (FCPA), Chapter 42.17A RCW, by the Separate Segregated Fund (SSF) operated by the Washington Federation of State Employees/American Federation of State, County and Municipal Employees Council 28 (WFSE).¹

In short, the SSF regularly receives tens of thousands of dollars in political contributions and makes tens of thousands of dollars in political expenditures without registering with and reporting its activity to the Public Disclosure Commission (PDC) as a political committee, in violation of at least RCW 42.17A.205, 210, 215, 225, 235, and 240.

Further, recent developments indicate the SSF previously provided false information about its funding source(s) to the PDC as part of Case No. 14266 in order to defend its continued failure to report as a political committee.

Specifically, the SSF's attorney told the PDC in February 2017 that all of its funds come from WFSE and that it receives no funding from other sources. However, in PDC Case No. 54145, the attorney for the Special Account operated by the American Federation of State, County and Municipal Employees (AFSCME) headquarters in Washington, D.C., informed the PDC that the Special Account contributed \$200,000 to the SSF in September 2016, just a few months before the SSF claimed it was only funded by WFSE.

The SSF's receipt of this political contribution (and possibly others) removes any doubt as to its status as a political committee and, if the SSF intentionally misled the PDC about its funding sources in Case No. 14266, it could constitute criminal conduct on the part of the SSF.

1. Factual background

A. The SSF's status and activities

The “Washington Federation of State Employees SSF” was established on February 1, 2011 as a “political organization” under 26 USC § 527. *See* **Appendix pages 2-9**, a copy of the SSF’s Form 8871 filed with the Internal Revenue Service (IRS). Subsection (e) of the statute defines “political organization” as,

“...a party, committee, association, fund, or other organization (whether or not incorporated) organized and operated primarily for the purpose of directly or indirectly accepting contributions or making expenditures, or both, ... [for] the function of influencing or attempting to influence the selection, nomination, election, or appointment of any individual to any Federal, State, or local public office...”

Accordingly, the SSF describes its purpose to the IRS as providing “[f]inancial support for candidates responsive to the interests of working people.” *See* **App. 3**. Its formation paperwork lists the “Washington Federation of State Employees WFSE Cn28” as the SSF’s related/connected entity. WFSE employees and board members comprise the totality of the SSF’s “officers, directors and highly compensated employees.” *See* **App. 4-9**.

Precisely because the SSF has refused to register as a political committee with the PDC and report its contributions and expenditures, it is difficult to document the extent of the SSF’s electoral political activity.

Nevertheless, a search of the PDC’s database turned up 545 instances from 2015 through 2019 in which a political candidate or committee reported receiving a contribution from WFSE/the SSF.² Recipients use dozens of different names to describe the source of the contribution — *i.e.*, “WA Federation of State Employees,” “WFSE Council 28,” etc. Some recipients specifically note that the contribution came from WFSE’s SSF, but most are not so specific. Nonetheless, presumably most or all of these contributions reported by recipients were expenditures made by the SSF and not WFSE itself. All told, the contributions total \$2,170,230.32. *See* **App. 10-17**, a list of contributions political candidates and committees told the PDC they received from WFSE/the SSF/affiliated entities since 2015.

On Forms 8872 filed with the IRS, the SSF disclosed making \$1,846,350 in expenditures from January 1, 2015 through June 30, 2019 that exceeded the \$500 threshold for itemization. *See* **App. 18-117**, Forms 8872 filed by the SSF with the IRS.

Presumably, the SSF itself received contributions totaling similar amounts during this

² Political committees and candidates began reporting receiving contributions from WFSE/the SSF prior to 2015, but this period corresponds to the five-year statute of limitations established by RCW 42.17A.770.

period in order to be able to sustain these expenditures.³

B. PDC Case No. 14266

On January 12, 2017, the Freedom Foundation filed a citizen action notice with the Attorney General's Office (AGO) alleging the SSF's failure to report as a political committee violated the FCPA. The AGO referred the matter to the PDC on February 8, 2017 for its review and the PDC designated the complaint Case No. 14266.⁴

In its response to the Freedom Foundation's complaint provided to the AGO and PDC, the SSF, through its attorney, Dmitri Iglitzin,⁵ wrote:

“...[T]here is no dispute that WFSE's SSF is managed, operated, funded and directed entirely by WFSE itself. Greg Devereux, WFSE's Executive Director, makes all final approvals of monies provided to and spent from the SSF. Regarding expenditures, Mr. Devereux receives requests from WFSE's Legislative and Political Action Department and then decides whether certain moneys should be spent. Mr. Devereux has the final say for all expenditures that are made from the SSF, as well as for all of the day-to-day expenditures involved in running WFSE and all contributions of money from WFSE to the SSF... [F]or the last five years, and longer, all of WFSE's SSF's funding has come to it from WFSE.” (emphasis added).

See **App. 118-121**, the SSF's February 8, 2017 response to the Freedom Foundation's complaint in PDC Case No. 14266.

At a public hearing on March 23, 2017, PDC staff recommended the Commission find that the SSF was not a political committee and, therefore, had not violated the FCPA by failing to report as one. However, during the course of the hearing, staff acknowledged a failure to review applicable caselaw.⁶ Accordingly, on March 28, 2017, the PDC referred the complaint back to the AGO without reaching any legal conclusion regarding the SSF's status as a political committee and without any recommendation about whether the AGO should file an enforcement action. See **App. 122-123**, the PDC's letter to the AGO in Case No. 14266. The AGO never filed such an action.

C. PDC Case No. 54145

On July 3, 2019, the Freedom Foundation filed a complaint with the PDC alleging the “Special Account” operated by the American Federation of State, County and Municipal Employees (AFSCME) headquarters in Washington, D.C. had violated RCW 42.17A.250

³ The SSF has failed to disclose the contributions it receives to the IRS on Schedule A of its Forms 8872 and, as it refuses to report as a political committee, has failed to disclose its contributions to the PDC as well.

⁴ The complaint and associated documents are available online at: <https://www.pdc.wa.gov/browse/cases/14266>

⁵ Mr. Iglitzin is a partner at Barnard Iglitzin & Lavitt, LLP. <http://www.workerlaw.com/People.aspx>

⁶ Specifically, the PDC staffer handling the case stated: “I'm not an attorney and I didn't look at all at the VEC case [*Voters Education Committee v. Deborah Senn*, 166 P.3d 1174 (2007)] to prepare for this.” Footage of the hearing is available online at: <https://youtu.be/wdslfAthFYs?t=7932> The staffer makes the comment at 2:40:15.

as an out-of-state political committee by failing to report making three expenditures totaling \$250,000 and receiving hundreds of contributions totaling more than \$80 million. The PDC processed the complaint as Case No. 54145.⁷

Like the SSF, the Special Account is registered with the IRS as a “political organization” under 26 USC § 527. *See* **App. 124**, the first page of the Special Account’s IRS Form 990 for 2017.

The PDC ultimately determined the Special Account should have reported the contributions and expenditures at issue and, pursuant to a stipulated agreement, imposed a \$5,250 penalty on the Special Account.⁸ *See* **App. 125-132**, the PDC’s final order in Case No. 54145.

The unreported expenditures at issue in the case involved:

- A \$25,000 expenditure to AFSCME Council 2 on August 25, 2015
- A \$25,000 expenditure to AFSCME Council 2 on November 24, 2015
- A \$200,000 expenditure to AFSCME Council 28 (WFSE) on September 9, 2016

While these expenditures have now been disclosed in various government reports, the distinctions between AFSCME and its Special Account, WFSE and its SSF, and AFSCME Council 2 and its political committee are consistently ignored or blurred.⁹

However, in statements before the September 26, 2019 meeting of the PDC, the Special

⁷ The complaint and associated documents are available online at: <https://www.pdc.wa.gov/browse/cases/54145>

⁸ The Special Account’s compliance with the FCPA remains in doubt, however. The PDC is currently investigating additional allegations against the Special Account in PDC Case No. 59678. The complaint and associated documents are available online at: <https://www.pdc.wa.gov/browse/cases/59678>

⁹ In its Form LM-2 filed with the U.S. Department of Labor for calendar year 2016, AFSCME recorded a payment for \$200,000 on September 9, 2016 made to “AFSCME Washington Council 28” for “State & Local Political Program Support.” The LM-2 is available online at: <https://olms.dol-esa.gov/query/orgReport.do?rptId=639834&rptForm=LM2Form>

However, a Form 8872 filed with the IRS by AFSCME’s Special Account records the same \$200,000 expenditure to “AFSCME Washington Council 28” on September 9, 2016, establishing that the expenditure was actually made by the Special Account, a “political organization” under 26 USC § 527, and not AFSCME itself, a “labor organization” under 26 USC § 501(c)(5). *See* **App. 143**, the Form 8872 filed by the Special Account with the IRS on October 13, 2016.

Similarly, Forms C5 filed by the Special Account with the PDC as part of Case No. 54145 disclose the \$200,000 payment, described as a “grant to an affiliate,” to “AFSCME Washington Council 28” on September 9, 2016. *See* **App. 133**, a Form C5 filed by the Special Account with the PDC on August 14, 2019.

Likewise, AFSCME’s Form LM-2 for calendar year 2015 recorded two \$25,000 payments to “AFSCME Washington Council 2” for “State & Local Political Program Support.” The LM-2 is available online at: <https://olms.dol-esa.gov/query/orgReport.do?rptId=611295&rptForm=LM2Form> However, the Special Account’s Forms 8872 show that it made the expenditures, not AFSCME, and C5 reports filed by AFSCME Council 2’s political committee show that it received the contributions, not Council 2 itself. *See* **App. 163-164**.

Account's counsel, Danielle Franco-Malone,¹⁰ clarified that the Special Account's unreported \$200,000 expenditure *went to the SSF* and not WFSE itself.

When asked by a PDC commissioner whether the three expenditures by the Special Account were disclosed to the PDC by the recipients or whether the Special Account's failure to disclose them rendered the transactions completely invisible to the public, Ms. Malone stated:

“The three [Special Account] contributions went to AFSCME-affiliated entities — to political committees and separate, segregated funds of councils that are affiliated with AFSCME. As I understand it, two of the contributions went to a council that had a registered political committee [AFSCME Council 2] and one of the contributions went to a council that has a separate, segregated fund [AFSCME Council 28/WFSE].”¹¹ (emphasis added).

AFSCME Council 2 maintains a political committee registered as such with the PDC which reported receipt of the two 2015 contributions from AFSCME's Special Account. See **App. 162 and 163-164**, the C1PC Form filed by AFSCME Council 2's political committee and the two Forms C5 disclosing the contributions received from the Special Account in 2015, respectively. However, because WFSE's SSF does not report to the PDC as a political committee, the Special Account's \$200,000 contribution was not previously disclosed to the PDC by any party.¹²

2. Legal background

A. Definition of “political committee”

RCW 42.17A.005(40) defines “political committee” as:

“...any person (except a candidate or an individual dealing with the candidate's or individual's own funds or property) having the expectation of receiving contributions or making expenditures in support of, or opposition to, any candidate or any ballot proposition.”

Several Washington court decisions have clarified and interpreted this definition.

In *State of Washington v. Dan J. Evans Campaign Committee*, 86 Wn.2d 503 (1976), the Washington Supreme Court determined that an entity satisfies the expenditures prong of the definition of “political committee” if affecting, “directly or indirectly, governmental

¹¹ Video footage of Ms. Franco-Malone's remarks before the September 26, 2019 meeting of the PDC is available online at: <https://youtu.be/figVzVNSBZE?t=15222>

¹² By answering the question as she did, Ms. Malone implied, but didn't state directly, that the contribution to the SSF was disclosed to the PDC when, in fact, it was not, due to the SSF's failure to report as a political committee. The calculated nature of her remarks, however, lends credence to her factual claim that the SSF, not WFSE itself, received as a contribution the \$200,000 expenditure from her client, the Special Account.

decision making by supporting or opposing candidates or ballot propositions” is “the primary or one of the primary purposes” of the entity.

In *Utter v. Bldg. Indus. Ass'n of Washington*, 182 Wn.2d 398 (2015), the Washington Supreme Court confirmed that an organization may be considered a “political committee” if *one* of its primary purposes is to engage in electoral political activity; electoral political activity need not be *the* primary purpose of the entity for it to fulfill the definition of “political committee.”

Lastly, in *State ex rel. Evergreen Freedom Foundation v. Washington Education Association*, 111 Wn. 586 (2002), the court of appeals interpreted the definition of “political committee” to mean,

“...a person or organization may become a political committee by either (1) expecting to receive or receiving contributions, or (2) expecting to make or making expenditures to further electoral political goals.”

The court further held that,

“...an appropriate framework for determining whether electoral political activity is one of an organization's primary purposes should include an examination of the stated goals and mission of the organization and whether electoral political activity was a primary means of achieving the stated goals and mission during the period in question.”

B. Reporting requirements for political committees

RCW 42.17A.205 requires political committees to file a statement of organization with the PDC “within two weeks after organization or within two weeks after the date the committee first has the expectation of receiving contributions or making expenditures in any election campaign, whichever is earlier.”

RCW 42.17A.210 requires political committees to designate a treasurer at the time of filing a statement of organization.

RCW 42.17A.215 requires political committees to “designate and file with the commission the name and address of not more than one depository for each county in which... [the] political committee's accounts are maintained and the name of the account or accounts maintained in that depository on behalf of the... political committee.”

RCW 42.17A.225 requires continuing political committees to regularly file reports with the PDC “detailing expenditures made and contributions received.”

RCW 42.17A.235 requires all political committees to report “all contributions received and expenditures made as a political committee” to the PDC according to specified timelines and containing the information required by RCW 42.17A.240.

3. Allegations

A. **Civil violation of RCW 42.17A.205, 210, 215, 225, 235, and 240 by failure to report as a political committee.**

By refusing to register with and report to the PDC as a political committee, the SSF has violated RCW 42.17A.205, 210, 215, 225, 235, and 240, at the very least.

The SSF satisfies both the expenditures and contributions prongs of the definition of political committee.

First, the SSF satisfies the expenditures prong because the stated purpose of the SSF is to provide financial support to political candidates. It does not make expenditures for any purpose other than engaging in electoral political activity. Indeed, by definition, the purpose of a “political organization” such as the SSF is to “directly or indirectly accept[] contributions or [make] expenditures” “to influence the... election... of any individual to any Federal, State, or local public office...”¹³ In furtherance of this purpose, the SSF has contributed approximately \$2 million to political candidates and other political committees registered with the PDC since 2015. *See App. 10-17 and 18-117.*

Consequently, the SSF satisfies the expenditures prong of the definition of political committee.

Second, the SSF satisfies the contributions prong of the definition of political committee because it receives contributions. Although the source(s) of the SSF’s funds have not been formally disclosed, the fact that its only purpose and function is to financially support political candidates and causes favored by WFSE leadership means that any funds the SSF received were contributions that must be reported to the PDC.

And despite the SSF’s lack of disclosure, some contributions to the SSF have been documented. According to the SSF, all of its funds are provided by WFSE, though the individual transactions have never been disclosed. *See App. 118-121.* Further, AFSCME’s Special Account disclosed making a \$200,000 expenditure to the SSF on September 9, 2016, as confirmed by the Special Account to the PDC through its attorney, which should have been disclosed to the PDC by the SSF as a contribution. *See App. 143.*

Receipt of funds from WFSE, AFSCME’s Special Account, and potentially other sources makes the SSF a political committee under the contributions prong.

- i. **For the purposes of the FCPA, the SSF is its own “person” or “organization” separate from WFSE itself and must independently report as a political committee.**

In PDC Case No. 14266, the SSF argued it was not a separate “person” from WFSE

¹³ *See* 26 USC § 527(e)(1), (2).

and, therefore, could not be considered a political committee in its own right. It will undoubtedly make a similar argument in response to the present complaint. This argument should be rejected for five reasons.

- **First**, the Washington Supreme Court in *Voters Education Committee v. Deborah Senn*, 166 P.3d 1174 (2007) recognized that, if a political organization under 26 USC § 527 makes expenditures on political campaigns in Washington but fails to register and report as a political committee, it is “a persuasive fact” indicating the organization “was seeking the tax benefits of section 527 while disingenuously seeking to avoid the disclosure requirements of the FCPA.”

While the court acknowledged that the definition of “political organization” in 26 USC § 527 has “a broader sweep” than the definition of “political committee” in the FCPA, then as now the respondent could not “justify how it qualifies as a ‘political organization’ but not a ‘political committee.’”

The SSF may point out that the facts in the present situation differ in some minor respects from those at issue in *Voters Education Committee*. This is, of course, correct, as no two situations are exactly alike. However, there is no meaningful factual distinction between the Voters Education Committee and the SSF. Both are “political organizations” under 26 USC § 527 operated by a single, parent entity. Both received funds and made expenditures to influence Washington elections without reporting their activity to the PDC as a political committee. The only significant factual difference is that, unlike the Voters Education Committee, the SSF has received contributions from sources other than its parent entity, making its status as a political committee that much more certain.

- **Second**, the SSF is treated as legally distinct from WFSE for tax purposes. There is no reason it should not also be treated as legally distinct from WFSE for the purposes of the FCPA.

For tax purposes, WFSE is a labor organization under 26 USC § 501(c)(5) while the SSF is a political organization under 26 USC § 527. According to the IRS,

“A section 501(c) organization that is not prohibited from participating in political campaign activity has the option of conducting the activity itself or setting up a separate segregated fund. If the section 501(c) organization conducts the activity itself, it is subject to tax, but is not required to file Form 8871. If the section 501(c) organization establishes a separate segregated fund, *the fund is treated as a separate political organization and does not qualify for the exception from filing Form 8871.*”¹⁴
(emphasis added)

¹⁴ Internal Revenue Service. “Taxation of Separate Segregated Funds of Political Organizations.” March 9, 2017. <https://www.irs.gov/charities-non-profits/political-organizations/taxation-of-separate-segregated-funds-of-political-organizations>

Additionally, the SSF has a different employer identification number (27-4746485) than WFSE (91-0607853). *See App. 2, 165.*

Further, the two entities have different stated purposes. WFSE’s purposes, according to its bylaws, are:

- “A. To organize and empower individuals to create a powerful collective voice.
- B. To unite the Washington State Employee Local Unions of Council 28, AFSCME for mutual welfare, protection and advancement.
- C. To achieve and maintain excellent wages, hours, benefits, working conditions, and job security.
- D. To coordinate state legislative programs of Washington State Employee Local Unions of Council 28, AFSCME.
- E. To represent local unions before appropriate legislative bodies, boards, commissions and committees.
- F. To assist local unions with organizational, educational, publicity, and promotional programs.
- G. To work with local unions in the processing of grievances and negotiating of agreements.
- H. To respond to the needs and direction of the membership.”

See App. 166-167, WFSE’s constitution and bylaws.

In contrast, the purpose of the SSF as described to the IRS on its Form 8871 is to provide “financial support for candidates responsive to the interests of working people.” *See App. 3.*

These factual and legal distinctions indicate the SSF can and should be treated as an independent entity from WFSE for the purposes of the FCPA.

- **Third**, the FCPA specifically acknowledges and courts have indicated that both “persons” or “organizations” can be considered “political committees.”

RCW 42.17A.005(4) defines “political committee” as a “person.” In turn, RCW 42.17A.005(38) defines “person” very broadly as,

“...an individual, partnership, joint venture, public or private corporation, association, federal, state, or local governmental entity or agency however constituted, candidate, committee, political committee, political party, executive committee thereof, or any other organization or group of persons, however organized.” (emphasis added).

In a sense, the definitions are circular: A “political committee” is a “person” and a “person” can be a “political committee.” But it is clear that an “organization” can

also be considered a “political committee,”¹⁵ a position confirmed by the court of appeals in *Evergreen Freedom Foundation* when it noted that “...a person or organization may become a political committee...” (emphasis added).

The question, then, is not whether the SSF is a flesh and blood “person,” but whether it has a legal identity and receives contributions or makes expenditures. The answer, as has been established, is that it does.

- **Fourth**, the PDC in Case No. 54145 rejected the argument that a separate, segregated fund operated by a labor union need not disclose contributions received from the parent union because the fund is legally inseparable from the parent union.

That case involved the Special Account operated by AFSCME headquarters in Washington, D.C. Like the SSF, the Special Account is a “political organization” under 26 USC § 527 and was established and is administered by its parent labor union.

In its response to the complaint in that case, the Special Account argued that,

“...AFSCME’s Special Account is a § 527 separate segregated fund. Although it is a legally distinct entity for purposes of the Internal Revenue Code, it is entirely controlled by AFSCME, all decisions regarding its activities are made by AFSCME, and it is entirely funded by AFSCME. AFSCME’s Special Account is, in other words, an AFSCME bank account used and funded by AFSCME for AFSCME’s own political activities. And, because it is simply an alter ego of AFSCME, it is registered with the PDC *as* AFSCME – the American Federation of State, County and Municipal Employees. In light of this fact and the Segregated Fund’s exclusive funding from AFSCME, Special Account left blank the field on the C-5s for reporting contributions from ‘persons or corporations residing outside of Washington.’ It would elevate form over substance to require an organization to report itself as the source of contributions of its own funds deposited into its own bank account for its own reported activities as if these were standard contributions from other persons...”

See App. 183-188, the Special Account’s August 5, 2019 response to the complaint in PDC Case No. 54145. (Emphasis in original).

Nonetheless, the PDC determined the Special Account should have reported receipt of the contributions from AFSCME and penalized the Special Account for its failure to do so, effectively rejecting the Special Account’s argument that it was legally indistinguishable from AFSCME. *See App. 125-132*.

¹⁵ In addition to the definition of “political committee” found in RCW 42.17A.005(4), RCW 42.17A.005(14) defines “continuing political committee” as “a political committee that is an organization of continuing existence not limited to participation in any particular election campaign or election cycle.” (emphasis added). This description fits the SSF perfectly.

What's more, the PDC reached this conclusion *despite* accepting the Special Account's contention that it was "entirely funded by AFSCME."¹⁶ In the present case, the fact that the SSF received at least one large contribution from the Special Account — an entity other than the SSF's parent, WFSE — entirely rebuts the SSF's (presumed) position that it is merely a bank account for WFSE's own funds.

- **Fifth**, accepting the SSF's argument would result in less disclosure of political expenditures and contributions, which runs contrary to the stated purpose of the FCPA.

RCW 42.17A.001(1) establishes that a purpose of the FCPA is to ensure "[t]hat political campaign and lobbying contributions and expenditures be fully disclosed to the public and that secrecy [] be avoided..." To this end, RCW 42.17A.001(11) directs that the FCPA,

"...shall be liberally construed to promote complete disclosure of all information respecting the financing of political campaigns and lobbying... so as to assure continuing public confidence of fairness of elections and governmental processes, and so as to assure that the public interest will be fully protected."

State courts have repeatedly relied on this directive to interpret the FCPA in a way that maximizes the disclosure of political contributions and expenditures. *See State of Washington v. Freedom Foundation*, 192 Wn.2d 782, 796 (2019).

It is undisputed that large sums of money flow through the SSF to influence Washington elections. Accepting the SSF's position that it need not disclose this activity to the PDC because it is legally inseparable from WFSE would allow the SSF to continue keeping its extensive political activity out of the public eye.

Adopting the SSF's reasoning could also result in entities that *do* currently report to the PDC as political committees ceasing to do so in the future. For instance, many political committees operated by labor unions are funded entirely or almost entirely by the parent union. Some examples include the SEIU Healthcare 1199 NW PAC,¹⁷ the Public School Employees of WA,¹⁸ UFCW 21 PAC,¹⁹ the Washington State Council of County and City Employees,²⁰ and the Washington & Northern Idaho

¹⁶ Whether the Special Account received contributions from sources other than AFSCME remains disputed in PDC Case No. 59678.

District Council of Laborers PAC.²¹

Allowing these entities to cease disclosing their contributions and expenditures simply because they are operated and funded by a single, parent entity would render millions of dollars in political campaign activity invisible to the public and directly thwart the core purpose of the FCPA to promote disclosure.

B. Possible criminal violation of RCW 42.17A.750(2)(c) by providing, with actual malice, a false document to the PDC in the course of an investigation.

RCW 42.17A.750(2)(c) provides that it is a class C felony under chapter 9.94 RCW to, “with actual malice, procure[] or offer[] any false or forged document to be filed, registered, or recorded with the commission” under the FCPA. (emphasis added).

Further, RCW 42.17A.005(1) establishes that “actual malice” “means to act with knowledge of falsity or with reckless disregard as to truth or falsity.”

The SSF’s February 8, 2017 response to the Freedom Foundation’s complaint in PDC Case No. 14266 appears to have crossed this threshold.

In its response, the SSF’s attorney, Dmitri Iglitzin, stated that the SSF was funded “entirely by WFSE itself” and that “for the last five years, and longer, all of WFSE’s SSF’s funding has come to it from WFSE.” *See App. 118-121.* This claim was critical to support the SSF’s contention that it was “merely a separate bank account” for WFSE and not an independent entity required to report as a political committee.

However, thanks to the Special Account’s Forms 8872, C5 reports, and Ms. Franco-Malone’s testimony, we now know that the statement was false and that, just five months prior — on September 9, 2016 — the SSF received a \$200,000 contribution from the Special Account, an out-of-state entity indisputably separate and distinct from WFSE.

The SSF may argue that the testimony of Ms. Franco-Malone (of Barnard Iglitzin & Lavitt) in PDC Case No. 54145 indicating the SSF received a \$200,000 contribution from the Special Account was incorrect and that the statement of Mr. Iglitzin (also of Barnard Iglitzin & Lavitt) in PDC Case No. 14266 that the SSF is funded only by WFSE was accurate.

However, federal law and records suggest Ms. Franco-Malone’s statement was the correct one.

By definition, the purpose of a “political organization” such as the Special Account is to “directly or indirectly accept[] contributions or [make] expenditures” “to influence the... election... of any individual to any Federal, State, or local public office...”²²

²¹ The political committee’s reports to the PDC are available online at: https://www.pdc.wa.gov/browse/campaign-explorer/committee?filer_id=WASHNI%20087&election_year=2018

²² *See* 26 USC § 527(e)(1), (2).

The Special Account described its purpose to the IRS on its 2016 Form 990 as “support[ing] political parties and various candidates for election to public office” (Part I, Line 1). The Special Account’s 2016 Form 990 also indicated its total expenses for the year were \$30,400,763 (Part IX, Line 25). On the same form, the Special Account indicated its “political campaign activities” for the year totaled just \$350 less than its overall expenses — \$30,400,413 (Schedule C, Part I-A, Line 2). *See App. 189-271*, the Special Account’s 2016 Form 990.

Because the \$350 *not* spent on political campaigns cannot account for the \$200,000 expenditure in question, the Special Account’s tax documents indicate the \$200,000 expenditure was for political campaign activity.

IRS directions define “political campaign activities” as “[a]ll activities that support or oppose candidates for elective federal, state, or local public office.”²³ The Special Account itself describes the nature of its “political campaign activities” as “support[ing] political parties and various candidates for election to public office” (see the description required for Schedule C, Part 1-A, Line 1 provided in Schedule C, Part IV). *See App. 204*.

In short, unless the Special Account provided false information to the IRS under penalty of perjury, all but \$350 of the Special Account’s 2016 expenditures went towards electing candidates for office, including the \$200,000 expenditure at issue here. The only way for the Special Account to ensure its own compliance with federal tax law would be for the \$200,000 to be expended to the SSF which, as a political organization, is also structured to engage in electoral politics, and not provided to WFSE itself.²⁴

Given these facts, it appears likely that the SSF’s response to the complaint in PDC Case No. 14266 was knowingly false. At minimum, receipt of \$200,000 from an external source just months prior could have (and should have) been easily ascertained. The SSF’s failure to do so exhibited, at best, a reckless disregard for the truth.

C. Possible criminal violation of at least RCW 42.17A.205, 210, 215, 225, 235, and 240 because the failure to report as a political committee was committed with actual malice.

RCW 42.17A.750(2)(a) provides that a violation of the FCPA committed with “actual malice” constitutes a misdemeanor under Chapter 9.92 RCW.

The SSF’s response to the complaint in PDC Case No. 14266 was primarily based on the premise that the SSF was solely funded by WFSE:

²³ A copy of the IRS directions for completing its 2016 Form 990 is available online at: <https://www.irs.gov/pub/irs-prior/1990--2016.pdf>

²⁴ As a labor organization under 26 USC § 501(c)(5), WFSE could legally make expenditures from its general fund for political activity. However, unlike the SSF, it is not specifically structured or legally required to make political expenditures. Thus, the only way for the Special Account to make sure its expenditures were used for appropriate political purposes would be to direct the \$200,000 to the SSF and not WFSE’s general fund.

“...WFSE’s SSF has itself at all times pertinent hereto been funded solely by WFSE, under WFSE’s sole control, and therefore... WFSE’s SSF is not a separate person subject to any reporting or disclosure requirements under the FCPA.”

See App. 118-121.

As early as 2007, *Voters Education Committee* established a presumption that “political organizations” under 26 USC § 527 are “political committees” under the FCPA, even if funded by only a single source. At the latest, the SSF itself knew and acknowledged as of its February 8, 2017 response in PDC Case No. 14266 that receipt of contributions from sources other than WFSE could transform it into a political committee.

Instead of registering as a political committee when it received such contributions, however, the SSF chose instead to deny ever receiving the contributions and willfully refrained from disclosing its contributions and expenditures to the PDC.

In short, the SSF’s violations of the FPCA, for at least the past several years, if not longer, have been committed with “actual malice.”

4. Factors Affecting Penalty

As outlined below, nearly all of the factors spelled out in RCW 42.17A.750(1)(d) for courts to consider when assessing civil penalties for violations of the FCPA work against the SSF.

RCW 42.17A.750(1)(d)	Applicability to SSF
(i) The respondent's compliance history, including whether the noncompliance was isolated or limited in nature, indicative of systematic or ongoing problems, or part of a pattern of violations by the respondent, resulted from a knowing or intentional effort to conceal, deceive or mislead, or from collusive behavior, or in the case of a political committee or other entity, part of a pattern of violations by the respondent's officers, staff, principal decision makers, consultants, or sponsoring organization;	Far from being “isolated or limited” in nature, the Special Account’s complete refusal to report any of its contributions or expenditures as a political committee has spanned multiple years, despite court rulings and prior complaints that have put it on notice about its compliance obligations. Further, evidence suggests that the SSF may have intentionally provided false information to the PDC to stave off further investigation and enforcement action.
(ii) The impact on the public, including whether the noncompliance deprived the public of timely or accurate information during a time-sensitive period or otherwise had a significant or material impact on the public;	The SSF’s failure to disclose any of its millions of dollars in contributions and expenditures for several years has deprived the public of timely and accurate information across multiple election cycles.

<p>(iii) Experience with campaign finance law and procedures or the financing, staffing, or size of the respondent's campaign or organization;</p>	<p>The SSF is a Section 527 “political organization” under federal tax law. Its sole purpose is to engage in political activity at the state and local level. It is operated by professional staff of one of the largest labor unions in the state and has been active for many years. It has access to the necessary resources and sophistication to comply with the FCPA, but instead chooses not to.</p>
<p>(iv) The amount of financial activity by the respondent during the statement period or election cycle;</p>	<p>The SSF has made about \$2 million in expenditures since 2015 and, presumably, received a similar amount in contributions. These are sizeable sums, placing the SSF among the most politically-active entities in the state.</p>
<p>(v) Whether the late or unreported activity was within three times the contribution limit per election, including in proportion to the total amount of expenditures by the respondent in the campaign or statement period;</p>	<p>The amounts not disclosed by the SSF are substantially more than three times any of the contribution limits set in the FCPA.</p>
<p>(vi) Whether the respondent or any person benefitted politically or economically from the noncompliance;</p>	<p>The SSF likely benefitted politically from the noncompliance and may also have benefitted economically by obscuring from its members the extent of its use of their dues for political expenditures.</p>
<p>(vii) Whether there was a personal emergency or illness of the respondent or member of the respondent's immediate family;</p>	<p>Not applicable to the SSF in this instance.</p>
<p>(viii) Whether other emergencies such as fire, flood, or utility failure prevented filing;</p>	<p>Not applicable to the SSF in this instance.</p>
<p>(ix) Whether there was commission staff or equipment error, including technical problems at the commission that prevented or delayed electronic filing;</p>	<p>Not applicable to the SSF in this instance.</p>
<p>(x) The respondent's demonstrated good-faith uncertainty concerning commission staff guidance or instructions;</p>	<p>Not applicable to the SSF in this instance.</p>
<p>(xi) Whether the respondent is a first-time filer;</p>	<p>Not applicable to the SSF, which refuses to disclose anything to the PDC despite receiving contributions and making expenditures for many years.</p>
<p>(xii) Good faith efforts to comply, including consultation with commission staff prior to initiation of enforcement action and</p>	<p>The SSF’s apparent misrepresentations to the PDC in Case No. 14266 represent an attempt to avoid enforcement action and reflect the</p>

<p>cooperation with commission staff during enforcement action and a demonstrated wish to acknowledge and take responsibility for the violation;</p>	<p>lack of any “good faith effort” to comply with the FCPA.</p>
<p>(xiii) Penalties imposed in factually similar cases.</p>	<p>In PDC Case No. 42719, the PDC imposed a \$40,000 penalty on UFCW Local 21’s PAC for failing to report about \$250,000 in contributions and expenditures made over the course of 2017.</p> <p>The Spokane County Democrats faced an \$83,000 penalty as a result of litigation brought by the Attorney General for failure to timely disclose \$104,190 in contributions and \$110,554 in expenditures.²⁵</p> <p>The King County Democrats faced a \$36,797 penalty as a result of litigation brought by the Attorney General for failure to timely disclose \$65,442 in expenditures and \$74,261 in contributions in 2016.²⁶</p> <p>In the case at hand, the SSF completely failed to disclose about \$2 million in expenditures and a similar amount in contributions over the course of five years. Further, while the above entities had at least registered with the PDC and reported some of their activity, the SSF has refused to disclose anything at all to the PDC and appears to have provided false information to the PDC during an investigation to evade enforcement.</p>

5. Enforcement Options

RCW 42.17A.755(1) provides that, when presented with a citizen complaint, the PDC “must” either: (1) dismiss it or otherwise resolve it as a remedial or technical violation; (2) initiate an investigation, conduct hearings and take enforcement action; or, (3) refer the complaint to the attorney general.

²⁵ Washington State Office of the Attorney General. “Spokane County Democrats to pay nearly \$50,000 over campaign finance violations.” December 24, 2018. <https://www.atg.wa.gov/news/news-releases/spokane-county-democrats-pay-nearly-50000-over-campaign-finance-violations>

²⁶ Washington State Office of the Attorney General. “AGO files campaign finance complaint against King County Democratic Central Committee.” May 12, 2017. <https://www.atg.wa.gov/news/news-releases/ago-files-campaign-finance-complaint-against-king-county-democratic-central>

Washington State Office of the Attorney General. “Enforcement of Campaign Finance Laws.” <https://www.atg.wa.gov/enforcement-campaign-finance-laws>

A. The PDC should not dismiss the complaint as the allegations are not “obviously unfounded or frivolous.”

WAC 390-37-005(2)(a) and WAC 390-37-060 provide the PDC may dismiss a complaint if it is “obviously unfounded or frivolous, or outside of the PDC’s jurisdiction.”

There should be no disputing the PDC’s jurisdiction over the present complaint against the SSF, as a matter of law. Similarly, the complaint is firmly grounded in law and relies largely upon information formally reported, provided or produced by the SSF, WFSE and the Special Account pursuant to government reporting requirements or investigations. The complaint is not “obviously unfounded or frivolous.”

B. The allegations against the SSF involved “violations,” not “remedial” or “minor” violations nor “requests for technical correction.”

RCW 42.17A.005(53) defines “violation” as “not a remediable violation, minor violation, or an error classified by the commission as appropriate to address by a technical correction.” Thus, violations of the FCPA are considered “violations” by default unless they meet the criteria to be considered lesser “remedial,” “minor,” or “technical” violations. Since the SSF’s complete failure to disclose contributions received and expenditures made involves neither “remedial violations,” “minor violations,” nor “technical corrections,” it involves, by definition, “violations.”

i. AFSCME’s violations were not “remedial.”

As defined by RCW 42.17A.005(45), a “remedial violation” is one that meets *all* the following criteria:

- “(a) Involved expenditures totaling no more than the contribution limits set out under RCW 42.17A.405(2) per election, or one thousand dollars if there is no statutory limit;
- (b) Occurred:
 - (i) More than thirty days before an election, where the commission entered into an agreement to resolve the matter; or
 - (ii) At any time where the violation did not constitute a material violation because it was inadvertent and minor or otherwise has been cured and, after consideration of all the circumstances, further proceedings would not serve the purposes of this chapter;
- (c) Does not materially affect the public interest, beyond the harm to the policy of this chapter inherent in any violation; and
- (d) Involved:
 - (i) A person who:
 - (A) Took corrective action within five business days after the commission first notified the person of noncompliance, or where the commission did not provide notice and filed a required report within twenty-one days after the report was due to be filed; and

- (B) Substantially met the filing deadline for all other required reports within the immediately preceding twelve-month period; or
- (ii) A candidate who:
 - (A) Lost the election in question; and
 - (B) Did not receive contributions over one hundred times the contribution limit in aggregate per election during the campaign in question.”

The largest contribution limit specified in RCW 42.17A.405(2) and updated by WAC 390-05-400 is \$2,000 for state and special purpose district elections. The roughly \$2 million in expenditures and similar amount in contributions not reported by the SSF exceeds this threshold by about **2,000 times**, so prong (a) above is not satisfied.

The SSF’s failure to disclose any contributions or expenditures often occurred within 30 days of a general election, the PDC has not “entered into an agreement to resolve the matter[s],” the violations were not “minor,” and the violations have not yet “been cured,” so prong (b) above is not satisfied.

Given that the primary purpose of the FCPA is to ensure “that political campaign... contributions and expenditures be fully disclosed to the public,”²⁷ the SSF’s failure to disclose its spending on Washington elections as a political committee materially affected the public interest. Accordingly, prong (c) is not satisfied.

The SSF has not yet been notified of its noncompliance by the PDC so (d)(i)(A) cannot yet be evaluated. The SSF is not a candidate, so (d)(ii) is inapplicable.

In short, the magnitude of the SSF’s significant violations far surpasses the criteria to be considered “remedial.”

ii. The SSF’s violations do not involve “requests for technical corrections.”

RCW 42.17A.005(51) defines “technical correction” as:

“...the correction of a minor or ministerial error in a required report that does not materially harm the public interest and needs to be corrected for the report to be in full compliance with the requirements of this chapter.”

The SSF’s violations do not meet this definition.

First, given that the primary goal of the FCPA is to ensure “that political campaign... contributions and expenditures be fully disclosed to the public,”²⁸ the failure to disclose roughly \$4 million in contributions and expenditures used to affect Washington elections in multiple different years and elections had a materially negative impact on the public interest.

²⁷ See RCW 42.17A.001(1).

²⁸ *Ibid.*

Second, the SSF's complete, and likely intentional, failure to report any of its activity is not a "minor or ministerial error," as the reporting of contributions and expenditures is at the very heart of the FCPA's disclosure regime.

Third, the SSF's violations involve the complete failure to file required reports. By definition, a failure to file cannot be considered a "minor or ministerial error *in a required report*" because no report was actually filed.

Accordingly, the SSF's violations most certainly do not meet the definition of "technical correction."

iii. The SSF's violations were not "minor."

WAC 390-37-060(1)(d) purports to authorize the PDC to "resolve any complaint that alleges minor violations of chapter 42.17A by issuing a formal written warning."

WAC 390-37-061 provides:

"(2) A minor violation is an actual violation that occurs:

(a) When required information is not timely disclosed, but the public is not deprived of critical information; or

(b) When incomplete information is disclosed, but a good faith effort to comply with disclosure is made, and the public is not deprived of critical information.

(c) When any other violation of chapter 42.17A RCW has occurred that does not materially affect the public interest."

While "critical information" for the purposes of WAC 390-37-061 is not defined, it would be unreasonable to conclude that the SSF's complete refusal to disclose hundreds of different contributions and expenditures over a five-year period totaling around \$4 million did not consist of "critical information" and did not "materially affect the public interest." This is especially so in light of the FCPA's goal "that political campaign... contributions and expenditures be fully disclosed to the public."²⁹

That the SSF apparently provided incorrect information to the PDC during an investigation to avoid enforcement action is an aggravating factor that further confirms the violations at issue were not "minor."

²⁹ *Ibid.*

6. Conclusion

The Washington Supreme Court's holding in *Voters Education Committee*, the FCPA's liberal construction in favor disclosure, and the PDC's past treatment of union-operated separate, segregated funds as political committees independent from their parent unions in cases like No. 54145 all confirm that, as a matter of law, the SSF is a political committee for the purposes of the FCPA. The fact that the SSF received contributions from separate, out-of-state sources makes the conclusion that it is a political committee unavoidable. Yet despite familiarity with the FCPA, the SSF has consistently refused to report as required.

Further, in its effort to avoid compliance, the SSF has apparently provided false information to the PDC in Case No. 14266 to evade further PDC investigation and enforcement action, categorically claiming that it is funded only by WFSE while failing to note that it had received a \$200,000 contribution from an independent, out-of-state entity just months prior.

In light of the above, the PDC should, at minimum, initiate an investigation, conduct hearings and take enforcement action as required by RCW 42.17A.755(1)(b).

If the PDC does not have the capacity to begin the enforcement process under RCW 42.17A.755(1)(b) within 100 days, the Freedom Foundation would gladly relieve the PDC of the burden of prosecuting the SSF's civil violations committed in the past two years via a citizen action under RCW 42.17A.775.

Further, given the potentially criminal violations of the FCPA committed by the SSF, the PDC should consider referring the appropriate violations to the AGO, in accordance with RCW 42.17A.755(1)(c), for prosecution.

Please do not hesitate to let me know if I can be of any further assistance in this matter. Thank you for your consideration.

Re: Citizen Action Notice – Washington Federation of State Employees
Our File No. 3389-001

Dear Walter:

We are writing in response to the letter you sent to Greg Devereux, Executive Director, Washington Federation of State Employees (‘WFSE’), on January 18, 2017, relating to a Citizen Action Notice filed against WFSE by the Freedom Foundation (‘Foundation’) on January 17, 2017. The undersigned is legal counsel for WFSE in this matter.

For the following reasons, the allegations made against WFSE by the Foundation, that it improperly failed to register its ‘separate, segregated fund’ (‘SSF’) as a political committee with the Washington State Public Disclosure Commission (‘PDC’) and also failed to have that SSF report its activities to the PDC as required by the Fair Campaign Practices Act (FCPA), are without merit. No action should be taken on those allegations by the Attorney General's Office.

Fundamentally, the Foundation's allegations lack merit because they are premised on the incorrect premise that an SSF that has been set up by a labor organization for political purposes is a ‘person’ subject to being characterized as a political committee under RCW 42.17A.005(37) if it receives contributions or, under certain circumstances, makes expenditures in support of, or in opposition to, candidates or ballot propositions. It is not. An SSF, as described above, is by definition not a separate ‘person.’ It is, instead, merely a separate bank account, or fund, within the total control of the labor organization that has created it. The significance of contributions made to, or expenditures made from, the SSF, may be examined in the context of an assessment of the status of the labor organization itself. But an SSF that is operated and funded solely by the labor organization that has created it may not itself properly be characterized as a political committee under any circumstances.

This was made clear by the PDC in a letter it sent to James Oswald, then an attorney with the firm of Davies, Roberts & Reid, on May 11, 1995. In that letter, a copy of which is enclosed as Exhibit A, the PDC confirmed that the PDC ‘does not believe’ that a local union is required

to register or report the activities of an SSF that is fully funded by the local union, even though the SSF engages in electoral political activity such as making contributions to state office candidates. The PDC wrote, in pertinent part, that “union political contributions made from the segregated account ... are tantamount to being made from its general fund and this activity does not trigger registration and reporting under the Public Disclosure Law, 42.17 RCW.”

This conclusion is also compelled by the common and long-recognized practice of organizations such as, but by no means limited to, labor unions, creating and operating SSFs in order to limit the tax consequences of their political expenditures. An SSF, by definition, has as one of its primary, if not its sole, purpose the intent “to affect, directly or indirectly, governmental decision making by supporting or opposing candidates or ballot propositions.” Pursuant to *State ex rel. Evergreen Freedom Found. v. Wash. Educ. Assn*, 111 Wn. App. 586, 598-99, 49 P.3d 894 (2002), and the authority cited therein, every single SSF would therefore be an unlawfully unregistered political committee, were it not the case, as urged herein, that an SSF that exists merely as a separate fund of a different entity is not treated as a “person” at all for purposes of RCW 42.17A.005(37). That would be a radical and unjustified transformation of existing law and practice under the FCPA.

Nor does the fact that WFSE’s SSF has filed an IRS Form 8871 change this analysis. The obligation to file a Form 8871 flows from federal tax law, but does not materially change the nature or status of an entity. Every SSF has applied for an Employer Identification Number, which it does in order for the SSF to obtain its own bank account and be treated as a separate taxable entity. Whether or not the SSF exceeds the level of income that requires it to file an IRS Form 8871 (currently, \$25,000 in any calendar year) is irrelevant to whether it is, or is not, a separate “person” for purposes of RCW 42.17A.005(37).

Voters Educ. Committee v. Washington State Public Disclosure Com., 161 Wn.2d 470, 166 P.3d 1174 (2007), is not inconsistent with this conclusion. In that case, the Supreme Court, in trying to determine whether the Voters Education Committee (“VEC”) was or was not a political committee subject to the registration and reporting requirements of the Act, noted that it had previously registered as a Section 527 political organization under the Internal Revenue Code (i.e., by filing an IRS Form 8871). The majority decision observed that “the fact that VEC registered as a “political organization” under section 527 organization is a persuasive fact that indicates that VEC was seeking the tax benefits of section 527 while disingenuously seeking to avoid the disclosure requirements of the FCPA.” 161 Wn.2d at 491 n.14. But VEC was a stand-alone entity, not an SSF. Thus, the issue as to whether an SSF is properly analyzed as being a separate “person” subject to the registration and reporting obligations of the FCPA, or instead is examined only as one part of the organization of which it is merely a fund, was not raised.¹

¹ *Utter v. Building Industry Assn of Washington*, 182 Wn.2d 398, 341 P.3d 953 (2015) is similarly inapposite. The issue in that case was whether BIAW, because of its own electoral political activities, fell within the statutory definition of a “political committee” during the relevant time period. 182 Wn.2d at 412-413. There was no dispute that BIAW-MSC, a for-profit organization created by BIAW, itself a not-for-profit entity, was a separate “person” for purposes of RCW 42.17A.005(37). It was not simply an SSF operated by BIAW.

In the instant situation, there is no dispute that WFSE's SSF is managed, operated, funded and directed entirely by WFSE itself. Greg Devereux, WFSE's Executive Director, makes all final approvals of monies provided to and spent from the SSF. Regarding expenditures, Mr. Devereux receives requests from WFSE's Legislative and Political Action Department and then decides whether certain moneys should be spent. Mr. Devereux has the final say for all expenditures that are made from the SSF, as well as for all of the day-to-day expenditures involved in running WFSE and all contributions of money from WFSE to the SSF.

Finally, there is no basis for concluding that WFSE's SSF operated as a separate person because it allegedly has solicited money from sources other than WFSE. Assuming, without conceding, that an SSF that solicited or received funding from a source other than its sponsoring union might under some circumstances be characterized as a separate "person" under the FCPA, WFSE's SSF is not such a separately funded SSF. Instead, for the last five years, and longer, all of WFSE's SSF's funding has come to it from WFSE.

Concededly, the Citizen Action Notice has brought to WFSE's attention one anomaly in the otherwise very clear and unbroken record of WFSE having been the sole funder of its SSF. On September 27, 2012, a Thursday, a check for \$1300 that was intended to be donated by AFSCME Local 443 to the Committee to Elect Steve Fossum was apparently mistakenly made out to "WFSE Council 28," received by WFSE, and deposited into WFSE's SSF. See Exhibit B (WFSE's SSF's October 19, 2012, IRS Form 8872 filing), Schedule A; see also Exhibit C (WFSE's SSF's check and deposit register for September 27 through October 2, 2012), September 27, 2012, entry. On the second working day thereafter, the following Monday, October 1, 2012, WFSE forwarded this money to its intended recipient, the Steven J. Fossum Campaign. Exhibit C (October 1, 2012, entry relating to check number 1214); see also Dennis Eagle's Lobbyist Monthly Expense Report filed November 9, 2012, Exhibit D, fourth page. That campaign promptly (on October 7, 2012) and correctly reported this money as having been received on October 1, 2012, from its true source, AFSCME Local 443. See Exhibit E.

Clearly, this one extremely minor bookkeeping misstep, which resulted in no failure of transparency (i.e., the recipient candidate was able to, and did, properly report the true source of the funds) and at no time resulted in any net increase in the amount of money actually present in WFSE's SSF bank account,² does not vitiate the fact that WFSE's SSF has itself at all times pertinent hereto been funded solely by WFSE, under WFSE's sole control, and therefore that SSF does not meet the statutory definition of "person" so as to properly subject to any assessment as to whether "it" needed to register and report as a political committee.

In light of the foregoing, the answer to your question regarding "any disclosure requirements" WFSE had during 2016 is, "none." WFSE is not a political committee and has not been alleged to be one. WFSE's SSF is not a separate person subject to any reporting or disclosure requirements under the FCPA. The Citizen Action Notice is legally frivolous and no followup action regarding it should be taken by the Office of the Attorney General.

² Because WFSE's SSF wrote and delivered its check for \$1300 to the Committee to Elect Steve Fossum long before the check the SSF received from AFSCME Local 443 could even have cleared the bank, there is no evidence that the amount of money in the SSF's bank account ever actually increased as a result of having received that check.

RE: Public Disclosure Commission Recommendation Following Staff Investigation Review of Washington Federation of State Employees - American Federation of State, County, and Municipal Employees Council 28, PDC Case 14266

Dear Attorney General Ferguson:

This letter concerns the matter that your office referred to the Public Disclosure Commission for review and possible investigation on February 8, 2017 in response to a 45-day Citizen Action Complaint (Complaint) filed by the Freedom Foundation with the Attorney General on January 17, 2017. The Complaint alleged that Respondent, Washington Federation of State Employees - American Federation of State, County, and Municipal Employees Council 28 (WFSE), violated RCW 42.17A because as a separate segregated fund, it has an expectation of making expenditures in support of, or in opposition to, candidates or ballot propositions. The complaint alleged that as a political committee, WFSE has failed to register and report with the PDC. (RCW 42.17A.205, .235, and .240)

PDC staff reviewed the Complaint and conducted an investigate review of the allegations made against WFSE in the Citizen Action Letter and prepared an Investigative Review Memorandum with Recommendations and Exhibits.

The Commission considered the results of staff's investigative review at a Commission meeting held on March 23, 2017, where PDC staff presented its findings which included a recommendation regarding the allegations listed in the Complaint. A copy of the Investigative Review Memorandum with Exhibits is enclosed with this letter.

Staff Conclusion

As noted in the attached Investigative Review Memorandum with Exhibits, staff concluded that:

Based on the factors identified in staff's investigative review of the allegations listed in the Complaint, staff determined that WFSE does not appear to be a political committee with a requirement to register and report with the PDC.

Commission Recommendation

At the Commission meeting, the Commission had questions concerning the separate segregated fund established by the WFSE.

The Commission voted unanimously to make no recommendation, concerning any further action be taken on the Citizen Action Complaint filed against Washington Federation of State Employees - American Federation of State, County, and Municipal Employees Council 28, and referred the matter to the Attorney General's office to determine the status of the separate segregated fund issue.

**BEFORE THE PUBLIC DISCLOSURE COMMISSION
OF THE STATE OF WASHINGTON**

In re the Matter of Enforcement Action
Against:

AMERICAN FEDERATION OF STATE,
COUNTY, AND MUNICIPAL EMPLOYEES
(AFL-CIO),

Respondent.

PDC CASE NO. 54145

FINAL ORDER

I. INTRODUCTION

This matter was heard by the Washington State Public Disclosure Commission (Commission) on September 26, 2019, at the Public Disclosure Commission Office, 711 Capitol Way, Room 206, Olympia, Washington 98504. The hearing was held pursuant to Chapter 34.05 RCW, Chapter 42.17A RCW, and Chapter 390-37 WAC.

Commissioners present were Anne Levinson, Commission Chair (presiding); David Ammons, Commission Vice-Chair; and Commissioners William Downing and Russell Lehman. Also present were Assistant Attorney General John S. Meader representing the Commission; Assistant Attorney General Chad Standifer representing PDC staff; and Kurt Young, Compliance Officer, on behalf of PDC Staff. Danielle Franco-Malone, Attorney, appeared on behalf of the American Federation of State, County, and Municipal Employees Union

1 (AFSCME, Respondent). The proceeding was open to the public and recorded.

2 The hearing concerned allegations that AFSCME violated RCW 42.17A.250 by failing
3 to file or timely file monthly Out-of-State Committee Contribution Reports (C-5 Reports)
4 disclosing \$250,000 in monetary contributions made to three political committees in Washington
5 State during calendar years 2015 and 2016.

6 The Commissioners had before them the following materials:

- 7 • Report of Investigation prepared by PDC Compliance Officer Kurt Young, dated September
8 17, 2019, which included:
 - 9 ○ July 3, 2019, complaint filed by the Freedom Foundation against
10 AFSCME;
 - 11 ○ Four C-5 reports timely filed by AFSCME during the period September
12 30, 2014, through December 31, 2018;
 - 13 ○ Late filed C-5 report submitted by AFSCME for August of 2015, dated
14 August 14, 2019;
 - 15 ○ Late filed C-5 report submitted by AFSCME for October of 2015, dated
16 August 14, 2019;
 - 17 ○ Late filed C-5 report submitted by AFSCME for September of 2016, dated
18 August 14, 2019;
 - 19 ○ Four amended C-5 reports submitted by AFSCME for calendar years
20 2014, 2015, 2018, dated August 14, 2019; and
 - 21 ○ Response submitted by Danielle Franco-Malone on behalf of AFSCME,
22 dated August 5, 2019.
- 23
- 24 • Proposed Stipulation as to Facts, Violations, and Penalty submitted by the parties, signed on
25 September 12 and 17, 2019.
- 26

1 **II. STIPULATION**

2 The parties jointly submitted a signed Stipulation as to Facts, Violations, and Penalty
3 (Stipulation). Mr. Standifer presented the Stipulation, reviewed aggravating and mitigating
4 factors, summarized the proposed penalties, and asked the Commission to accept the Stipulation.
5 Mr. Standifer also noted this was the first stipulation presented under RCW 42.17A.755 and
6 WAC 390-37-062 for resolution prior to initiation of an investigation. In response to
7 Commission questions, the Staff provided testimony that the Respondent had been responsive in
8 addressing the complaint and was now in compliance with all reporting obligations. Mr.
9 Standifer and PDC Staff also discussed that for purposes of determining the penalty, there were
10 no previous PDC cases with fact patterns sufficiently similar to be considered comparable.
11 Counsel for the Respondent, Danielle Franco-Malone, spoke on behalf of the Respondent,
12 explained the factors that led to the late filings, noted that Respondent accepted responsibility,
13 and also asked the Commission to accept the Stipulation. The Commission noted that the
14 proposed Stipulation did not make clear that the suspended portion of the penalty will come due
15 without further action of the Commission if the Respondent fails to comply with any of the
16 conditions of the Commission’s Order, and that the Commission’s Order would include this
17 provision. Both parties stated they understood. The Commission voted 3-1 to accept the
18 Stipulation.

25 8. On January 11, 2016, AFSCME timely filed a C-5 report for December of 2015,
26 disclosing two \$100,000 contributions made to the Washington State Democrats on December

1 4, and December 16, 2015, respectively. On August 14, 2019, AFSCME filed an Amended C-
2 5 report for December of 2015, disclosing contributions received from AFSCME International
3 from January 1, through December 31, 2015, totaling \$7,485,733.

4 9. On September 7, 2018, AFSCME timely filed a C-5 report for August of 2018,
5 disclosing a \$200,000 contribution made on August 28, 2018, to New Directions PAC, a
6 continuing political committee registered with the PDC. On August 14, 2019, AFSCME filed
7 an Amended C-5 report for August of 2018, disclosing contributions received from AFSCME
8 International from January 1, through August 31, 2018, totaling \$14,232,354.

9 10. The \$81,293,134 in late-reported total contributions received involved transfers from
10 AFSCME International into AFSCME's own segregated account.

11 11. The overwhelming majority of late-reported contributions received were not spent to
12 influence elections in Washington State.

13 12. AFSCME has not previously been found to have violated Chapter 42.17A RCW or
14 Title 390 WAC.

15 13. Reporting contributions to the Internal Revenue Service does not mitigate the failure
16 to properly file financial disclosures under Washington law.

17 14. The supplemental information provided by the Complainant on August 9, 2019,
18 was posted online and available to the public but was not offered by either party for inclusion
19 in the record. The Commission's Findings of Fact are based exclusively on the evidence of
20 record admitted in the adjudicative proceeding as required by RCW 34.05.461(4).

21 22 **IV. CONCLUSIONS OF LAW**

23 1. The Commission has jurisdiction over this proceeding pursuant to Chapter 42.17A
24 RCW, the State campaign finance and disclosure law; Chapter 34.05 RCW, the Administrative
25 Procedure Act; and Title 390 WAC.

26 2. AFSCME violated RCW 42.17A.250 by failing to timely file Out-of-State Committee

1 Contribution Reports (C-5 reports) disclosing \$250,000 in monetary contributions made to three
2 political committees in Washington State during calendar years 2015 and 2016.

3 3. AFSCME violated RCW 42.17A.250 by failing to timely file C-5 reports disclosing
4 contributions received from AFSCME International into AFSCME's segregated account
5 covering the period October 1, 2014, through August 31, 2018.

6 7 **V. ORDER**

18 upon any remediable violation, minor violation, or error classified by the
19 Commission as appropriate to address by a technical correction.
 - 20 b. The Respondent remains in full compliance with all PDC reporting
21 requirements.
 - 22 c. The non-suspended portion of the penalty (\$3,250) is paid by the

Nominations shall be taken by a member of the convention elections committee. Only an accredited delegate or alternate serving in the absence of a delegate shall be entitled to nominate or participate in the election.

Section 4. If more than one candidate is nominated for office, an election by secret ballot must be held. If only one candidate is nominated, the presiding elections committee member shall immediately declare said candidate elected by acclamation.

Section 5. The aggregate number of votes to which each affiliated local is entitled shall be determined as provided in Article VIII of this constitution. That number of votes, and no more, shall be divided among the accredited delegates of each local in accordance with Article VIII, Section 1, of this constitution.

Section 6. A majority of all the votes cast shall be necessary to elect a candidate. When more than two candidates are nominated for a single office, and none of them received a majority of the votes cast, all candidates except the two who received the most votes cast shall be dropped, and a second ballot shall be cast.

Article XIV Nomination and Election of Other Members of the Executive Board

Section 1. Nomination and election of all other members of the executive board shall be conducted in accordance with Elections Code, Appendix D, of the International Constitution as supplemented by the following sections:

Section 2. Each Policy Committee shall elect the number of Council 28 Executive Board members to which they are entitled under the provisions of Article XI of this Constitution.

Section 3. All Policy Committee Council 28 Executive Board members shall be nominated and elected by their respective Policy Committees in accordance with Article XI, Section 1, within sixty (60) days after adjournment of the Council's Biennial Convention.

- A. The chairperson shall issue a meeting call to all affiliated locals having membership employed in the agencies or working within the jurisdiction of the respective Policy Committees, as defined by Article V, Section 1, at least ten (10) days before the meeting at which the election is to be conducted. Such notice shall clearly indicate that the Board members will be elected, and the number to be elected. Such notices shall be processed through the council office, in consultation with the executive director of Council 28.
- B. The election shall be conducted in accordance with the Policy Committee Constitutions, subject to the following restrictions:
 - B.1 No one who attends a Policy Committee meeting shall participate in the

nomination or election of candidates for the executive board unless that person is an accredited delegate, or an accredited alternate serving in the absence of a delegate, actively employed in a state agency or working within the jurisdiction of the Policy Committee.

- B.2 All nominations shall be made from the floor.
- B.3 Members in good standing of any local union affiliated with Council 28, who are actively employed and or working within the jurisdiction of the Policy Committee, shall be eligible to be nominated and elected.
- B.4 Nomination and election shall be conducted separately for each Board position. If only one candidate for a position is nominated, the presiding officer shall then immediately declare the candidate elected by acclamation and open nominations for the next position. If more than one candidate is nominated for any one position, a secret ballot shall be cast by each delegate to the Policy Committee who is present. No candidate shall be declared elected by secret ballot unless that candidate receives a majority of all the ballots that are cast. When more than two candidates are nominated for a single position on the executive board, and no one receives a majority of all votes cast, then all candidates except the two who received the most votes shall be dropped and a second ballot shall be cast.
- B.5 The Policy Committee Secretary shall forward a copy of the complete minutes to the executive director of the council within fifteen (15) days after the election. Such minutes shall list the names, phone numbers, home addresses, home email addresses and employer of the duly elected board members.

Section 4. Members of the executive board of Council 28 who are elected to represent the Policy Committee shall take office on the day they are elected. Their term of office shall expire on the day the Policy Committee again elects members to represent it on the executive board, but in any event shall expire sixty (60) days after the next biennial convention following their election to the executive board, whichever time comes first. In the event the Policy Committee fails to elect members to represent it on the executive board within sixty (60) days after the biennial convention, each vacancy occurring by reason of that failure shall be filled in the manner prescribed by Article XV, Section 3, of this constitution.

Re: Complaint from the Freedom Foundation
PDC Case No. 54145
BIL Case File No. 3416-001

Dear Mr. Young,

On behalf of the American Federation of Federal, State, County, and Municipal Employees (“AFSCME”) we are hereby responding to the allegations raised by Freedom Foundation (the “Foundation”) in the above-referenced matter. AFSCME maintains a self-funded Separate Segregated Fund within the meaning of 26 U.S.C. § 527(f)(3), which is registered with the Internal Revenue Service (“IRS”) as “AFSCME Special Account” (“Special Account”). The Special Account files reports with the Public Disclosure Commission as an out-of-state political committee, (as “American Federation of State, County and Municipal Employees”), as required by law. The Foundation alleges that AFSCME and/or its Special Account violated provisions of the Fair Campaign Practices Act (“FCPA”) governing out-of-state political committees, including failure to report a handful of expenditures and contributions, as well as independent expenditures.

In short, the Foundation’s allegations are either wrong on the law or do not amount to material violations of the FCPA on the facts. A review of the Special Account’s contribution reports relevant to this case reveals that Special Account has substantially complied with all FCPA requirements for out-of-state political committees. The Foundation’s charge that there was a “consistent and extensive failure to comply with Washington state campaign finance laws” is baseless. It is, however, in keeping with the Foundation’s strategy of distorting campaign finance law in order to make outlandish claims against organizations that do not subscribe to its own ideological agenda.

ANALYSIS

I. The Alleged Failures to Disclose Independent Expenditures on C-6 Reports Are Wholly Without Merit.

The Foundation alleges that AFSCME's Special Account failed to file C-6 reports reflecting independent expenditures. However, the Foundation acknowledges that payments to Washington vendors for mail pieces and digital ad campaigns must be reported only if any of the purchases went to support or oppose candidates in Washington State. Here they did not. Instead, AFSCME's Special Account hired Hopkins & Sachs, Inc. and Cerillion N4 Partners to produce communications related to elections in Michigan, Minnesota, Oregon, and Wisconsin. Because RCW 42.17A.250 only requires the reporting of expenditures supporting or opposing a Washington state candidate or political committee, the Foundation's allegations that the Special Account failed to file C-6 reports are baseless and should be dismissed.

II. The Foundation's Allegations Regarding Failure to Report Expenditures and Contributions Are in Some Cases Unfounded and in Others So Minor As to Not Warrant an Enforcement Action.

A. The Alleged Failure to Report AFSCME's Own Self-Funding Of Its Segregated Fund Misapprehends the Nature of the Segregated Fund and Is Without Merit.

The Foundation alleges that AFSCME and/or the Special Account violated the FCPA by failing to disclose contributions from out of state donors and the source of its political spending in Washington. This argument rests entirely on the Foundation's depiction of AFSCME as an independent "contributor" to the Special Account. But the picture that the Foundation paints is incomplete. As prominently described on the submitted C-5s themselves, AFSCME's Special Account is a § 527 separate segregated fund. Although it is a legally distinct entity for purposes of the Internal Revenue Code, it is entirely controlled by AFSCME, all decisions regarding its activities are made by AFSCME, and it is entirely funded by AFSCME. AFSCME's Special Account is, in other words, an AFSCME bank account used and funded by AFSCME for AFSCME's own political activities. And, because it is simply an alter ego of AFSCME, it is registered with the PDC as AFSCME – the American Federation of State, County and Municipal Employees. In light of this fact and the Segregated Fund's exclusive funding from AFSCME, Special Account left blank the field on the C-5s for reporting contributions from "persons or corporations residing outside of Washington." It would elevate form over substance to require an organization to report itself as the source of contributions of its own funds deposited into its own bank account for its own reported activities as if these were standard contributions from other persons typically reported on an out-of-state PAC's C-5 form.

Moreover, the vast majority of the monies AFSCME deposited into its Special Account were not intended for electoral spending in Washington State and in fact were not used for political spending in Washington State. To put it in perspective, the Foundation alleges that \$81,293,134 should have been reported in contributions to the Special Account from 2014-2018. During this same time period, just \$790,000 of the political committee's funds were spent in Washington – less than one percent. In

other words, more than 99% of the deposits AFSCME made into its Special Account during the pertinent time period from 2014-2018 had nothing to do with electoral spending in Washington State.

Assuming *arguendo* that AFSCME's Special Account should have reported the AFSCME deposits as "contributions" received from out-of-state residents, the consequent FCPA violation was not material. Through its Form 8872 filings, AFSCME's Special Account has been fully transparent and comprehensive in publicly disclosing the source of its funding. Therefore, the public has not been denied the ability to inform itself of this financing. The fact that the Foundation has accessed and made use of these records is itself proof of AFSCME's Special Account's substantive compliance with campaign finance laws.

Regardless, to err on the side of disclosure and promoting as much public transparency as much as possible, AFSCME's Special Account will amend its C-5 reports to report AFSCME's deposits into the Special Account during the applicable periods.

B. The Special Account Has Not Received Contributions from Any Other Entities and the Foundation's Allegation That It Has Failed to Report Contributions from Miscellaneous Entities Is Unfounded.

The Foundation also alleges that the Special Account failed to report three contributions in 2014 from out-of-state contributors. Specifically, the Foundation alleges that the Special Account failed to report the following contributions:

- \$5,000 from Friends of Noam Bramson
- \$46,000 from Californians for Voter Turnout
- \$50,000 from the Committee for Working Families
- \$21,000 from Michigan for All
- \$25,000 from the Democratic Party of Hawaii
- \$8,500 from Ed Hernandez for Senate 2018
- \$11,609 from AFSCME SEIU Florida

However, each of these alleged contributions was not in fact a contribution reportable to the PDC. Instead, each reflected the Special Account's effort to report an intended expenditure that had been previously reported but was never consummated. For instance, the \$46,000 alleged contribution from Californians for Voter Turnout on October 14, 2014 corresponds to an expenditure the Special Account made to the same group on September 5, 2014 that was returned as a voided check. *See App. p. 274, 250.* Similarly, the \$50,000 contribution allegedly received from the Committee for Working Families on October 8, 2014 corresponds to a \$50,000 expenditure the Special Account made to that same entity on September 5, 2014 but that was returned as a voided check. *App. at 273, 258.* Likewise, the contributions from Friends of Noam Bramson, the Democratic Party of Hawaii, and Ed Hernandez for Senate 2018 were actually voided checks from intended contributions to each of those entities. The contributions from Michigan for All and AFSCME SEIU Florida also were not contributions *to* the Special Account, but rather, partial refunds of contributions to those entities *from* the Special Account, resulting in the return of AFSCME funds to the Special Account. In each instance, what appears to be a contribution on the 8872 form actually reports a returned expenditure.

IRS Form 8872 does not provide instructions on how to modify a previously filed report where the contributing party later learns that its contribution was not deposited, and does not provide a separate schedule or other reporting mechanism for disclosing that a receipt is a refund rather than a contribution. Rather than amend its previously filed 8872 reports, AFSCME's Special Account reported the unused contributions as contributions to the Special Account on Schedule A of a subsequently filed 8872. However, this effort to accurately account for the unused contribution does not convert those transactions to "contributions" that must be reported pursuant to RCW 42.17A.250(g).

From the PDC's perspective, those voided and refunded contributions are a non-event, they simply reflect AFSCME funds that never left or were returned to its Special Account. They do not reflect money that has been contributed to the Special Account by a third party (as opposed to by AFSCME, the Special Account's sponsor); thus, the Special Account properly did not report them as contributions. Reporting these transactions as contributions, then, would inaccurately amount to double reporting of contributions that already been reported on C-5 reports as deposits of AFSCME own funds into its SSF.

For these reasons, the Foundation's suggestion that AFSCME has failed to disclose receipts from entities *other than* AFSCME's general fund is without merit and should be dismissed.

C. The Alleged Failure to Report Three Expenditures Is a Relatively Minor Error that Has Since Been Corrected.

The Foundation alleges that AFSCME's Special Account, in the course of its long history of filing reports as an out-of-state PAC, failed to report three expenditures:

- \$25,000 to AFSCME Washington Council 2 on August 25, 2015
- \$25,000 to AFSCME Washington Council 2 on November 24, 2015
- \$200,000 to AFSCME Washington Council 28 on September 9, 2016

All three of these expenditures were reported to the IRS in a timely fashion on an 8872 form.

Now that these issues have been brought to its attention, the Special Account will amend its C-5 reporting to account for these three expenditures. Moreover, while the failure to report *any* electoral spending is unfortunate, the three expenditures at issue were insubstantial relative to the Special Account's spending in Washington and overall. The three disputed expenditures make up less than one-third of a percent of the \$81,293,134 the Foundation alleges that the Special Account took in during the pertinent time period. And, the Special Account correctly reported \$540,000 of its electoral spending in Washington to the PDC during the same period, meaning that approximately 70% of the Special Account's Washington spending was correctly reported in this state, while 100% of it was correctly reported to the IRS.

III. To the Extent Any of the Foundation's Allegations Are Found to Have Merit, They Involve Errors That Are So Minor as to Not Warrant Enforcement Action.

The Foundation's complaint has brought to light a handful of reporting errors that are relatively minor in light of the Special Account's long history of reporting as an out-of-state PAC in Washington. The reporting errors were the result of the Special Account's failure to appreciate two things about what must be reported on the C-5 reports: first, that *any* contributions intended for electoral political spending must be reported as expenditures, including political grants made through affiliate organizations, and second, that even deposits of AFSCME's own funds into its own separate segregated fund account may require reporting as "contributions" to the PAC. The Special Account now fully understands its reporting obligations and will report each of these categories of information in the future.

It is also worth emphasizing that there has never been a PDC complaint filed against AFSCME's Special Account during the time in which it has been registered as an out-of-state political committee in Washington. There is good reason to believe that the Special Account is fully capable of complying with reporting obligations when it understands what they are. In fact, the Foundation's examination of the Special Account's reporting over the past five years did not result in so much as a single late-filed report.

Moreover, the alleged shortcomings in the Special Account's reporting were minor in relation to the political committee's overall activities, the Special Account will take prompt action to amend its reporting in light of the Foundation's complaint, and it has taken steps to ensure that any similar issues do not arise in the future.

Finally, while the reporting errors were unfortunate, they did not result in the public being meaningfully deprived of information because in every instance, the information that allegedly should have been reported on a C-5 was timely reported on an 8872 form and readily available to the public.

Accordingly, to the extent there is any merit in the Foundation's allegations, they concern only "minor violations" that are appropriately resolved with a written warning. WAC 390-37-061(2)(a).

CONCLUSION

As a result of the Foundation's complaint, the Special Account has amended four previously filed C-5 reports to include reporting of AFSCME's deposit of funds into its Special Account on line 12, and has also filed three new C-5 reports. The Foundation's remaining allegations regarding alleged failure to report independent expenditures are without merit. AFSCME requests that the Foundation's complaint be dismissed outright, or resolved with a written warning. PART X, LINE 2 - FIN 48 FOOTNOTE	Accounting principles generally accepted in the United States of America require management to evaluate income tax positions taken and accrue an income tax liability if the Federation has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management has evaluated the income tax positions taken and concluded that as of December 31, 2016, there are no uncertain positions taken or expected to be taken that would require accrual of a liability in the consolidated financial statements. AFSCME and its affiliated entities are subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.
