Complaint Description
<p><u>Earl Gray</u> reported via the portal, Wed, 12 Feb 2020 at 7:26PM</p> <p>We recieved the small flyer from the campaign in October. It has no identifying details as to who prodiced it. It is my understanding that the public should know who produced these documents.</p> <p>We recieved the second (larger) flyer in October, and from a poll of others, believe this document went to every registered voter in the city limits of Lake Stevens, yet I can find no evidence of expenditures that comes close to explain that level of cost.</p> <p>Gailet Flyer 2B.jpg 1.94 MB</p> <p>Gailey Flyer 2A.jpg 1.92 MB</p> <p>Gailey Flyer 1B.jpg 1.79 MB</p> <p>Gailey Flyer1A.jpg 1.46 MB</p>
What impact does the alleged violation(s) have on the public?
The public is unable to understand what individuals or groups paid for the Gailey campaign. Given the Forge Washington PAC also contributed resources to this campaign, it is impossible to know even what entity this campaign material came from.
