RE: PDC Case Number 67094

Washington Public Disclosure Commission
Tabitha Townsend, Compliance Coordinator

Ms. Townsend,

I am official responding to Norm Smith's complaint of Tuesday, March 17, 2020, concerning specifically my campaign flyer, which can be found on my webpage www.phylliskardos.com along with my campaign trifold.

According to Mr. Smith's complaint I did not make the party aware of my party affiliation on this flyer. Mr. Smith is incorrect. I listed my party affiliation using "D" after my name, which is in compliance with PDC's <https://www.pdc.wa.gov/learn/publications/political-advertising-guide>.

Mr. Smith's only complaint was about the single-page flyer. According to our conversation, you stated our campaign flyer was in PDC compliance.

We also discussed two other documents, which were not part of the Mr. Smith's complaint – my campaign trifold and the campaign ad that appeared in the Newport Miner. The Newport Miner document appeared in a special supplement edition January 2020. It is located on page 15.

There is no way to amend the Miner document that went out three months, but I will follow PDC's guidelines on the placement of candidate's political and contact information. I will also make the trifold adjustment we discussed on the campaign webpage within one week.

Thank you for your time this morning. The conversation and information was very helpful.

If there are other steps I need to take or more information needed please advise.
