Complaint Description
<p><u>Martin L. Iceman Wheeler</u> (Wed, 15 Apr 2020 at 10:51 AM)</p> <p>On March 13, 2020 there are 210 listings of contributions om \$50.00 to \$1,000.00. 140 of these listings have not occupation or employer, 70 are listed as 'NOT EMPLOYED'. I would understand if 'RETIRED' was used. Under this listing of 'NOT EMPLOYED' there are contributions of \$1,000.00. There is one listing of over \$2,000.00 which is 'Small Contributions', other than that one listing on this date there are several listings of \$2,000.00 from several individuals listed several times. Shirley, Kim Medina, WA \$2,000.00 is listed twice, Shirley, John Media, WA \$2,000.00 is listed twice, and Harris, Robert Seattle, WA \$2,000.00 is listed twice. There are many other contributions listed between each of these listings, including the Shirley couple. The question is, what are they hiding? This pattern is repeated though out the listings of contributions. The United States Treasury if very interested in this complaint.</p>
