I did not realize that I did not include those numbers, it was simply a mistake. I will amend the report and correct Allegations one and two. As for Allegation three, I do not have a 401K from Bechtel.

The only thing I am still confused about is my SSI income. I did not include that and have amended.

Can you let me know about the SSI please, do I claim that?

Tabitha I did complete the info including the SSI.

Bad excuse but I forgot and waited in April to the last minute and just messed it up.

No nothing from Bechtel. I have one savings account at Chase that I receive interest income on that I included on my statement.

You can easily check with Bechtel about any payments I am not receiving from them.
