Jennifer,

Thanks for your message.

By copy of this email please find Senator Brown's application for a reporting modification which I believe addresses all matters in the first complaint. Please let me know if we need to submit this separately or if this email will suffice.

With respect to the allegations in the complaint from Lillian "Randy" Slavic, Mr./Ms Slavic is simply mistaken on the law. Senator Brown is not required to report all debts of businesses she holds an interest in only those debts she holds personally. This is made explicit in WAC 390-24-110 "Definition—Debt. (1) For the purpose of RCW 42.17A.710 (1)(c), the term "debt" means and includes a personal obligation or liability to pay or return something of value. (2) The term "debt" as used in RCW 42.17A.710 (1)(c) **shall not be deemed to include an account payable of a business entity** in the ordinary course of such entity's business."

I believe this addresses all matters you have requested a response on and I will await your guidance on whether we need to submit Senator Brown's request for a reporting modification by separate email.

Thank you.

Best,

Mark
