Complaint Description[Glen Morgan](#) (Mon, 13 Jul 2020 at 11:03 AM)

To whom it may concern,

It has come to my attention that Olympia Citizens for Schools PAC has violated Washington State's campaign finance laws (**RCW 42.17A**). The details of these violations are as follows:

1) Failure to report source of contributions. Possible concealment of source of contributions, or possibly acceptance of over limit anonymous contributions (Violation of RCW 42.17A.235, RCW 42.17A.240(2), RCW 42.17A.220(4), RCW 42.17A.715)

The majority of the funding for this single-year PAC appears to be dark money from unexplained or defined sources. For example, this PAC's entire 2020 campaign funds were \$9,014.59 to support a local ballot proposition. This PAC provides details on how \$3,480.11 were raised, but NO Detail, sources, or explanation is provided for how \$5,534.48 arrived in its bank account when the PAC was formed (see **PDC Report #100945813** which was filed Dec 2, 2019 attached, also see **PDC Report# 100955416**, which was filed January 31, 2020 and amended the first C4). Please note both the original and the revised C4 filed by this PAC indicated that \$5,534.48 magically appeared in their bank account with no clarification or details provided on who provided these funds or where they came from.

This is a Single Year PAC created for one campaign. It is not a continuing committee, which rolls bank account balances over into each campaign season. There is no PAC from 2019 with the same name, nor is there one from 2018. These are just funds which mysteriously appeared in this PAC's bank with no way for the public to know where these funds came from, or who provided these funds. Clearly, the public has been denied the information on the source of these funds.

If the source of these funds is anonymous, then, this is an obvious violation of **RCW 42.17A.220(4)** and all but the \$300 allowance for anonymous contributions must be escheated to the Washington State Treasurer as defined in statute. If these funds were reported in this manner in order to willfully conceal the original source of these funds, then it is also a clear violation of **RCW 42.17A.715**.

Regardless of source, however, the failure to properly account for these funds is a clear and unambiguous violation of the reporting requirements clearly defined in **RCW 42.17A.235** and **RCW 42.17A.240**.

2) Failure to accurately describe expense or provide adequate detail. Concealment of campaign expenditure details from the public (Violation of RCW 42.17A.240(6) & WAC 390-16-037, RCW 42.17A.235)

This PAC's campaign regularly failed to follow Washington State's Campaign Finance laws as they apply to the reporting of expenditures. Most C4s this campaign has filed contains violations of the statute and the rules written by the Public Disclosure Commission which support the statute.

Here are some examples that need to be corrected by this PAC's campaign to at least go through the motions of complying with the statute: Examples of a failure to provide sufficient detail of

expenditures (unambiguous violations of **RCW 42.17A.240(6)** and **WAC 390-16-037** (see **example B** provided at **WAC 390-16-037(3)**):

For example, the expenditures reported on **PDC Report #100958575** failed to report how many mailers were printed and purchased from Capital City Press for \$2,527.52 on 1/30/2020. This is a clear violations of **WAC 390-16-037(3) example B** provided. There is no excuse for this failure to be fully transparent or compliant with the statute.

Additional examples of repeat violations of this statute can be found on **PDC Report #100955415** , when the campaign spent \$1,256.95 for “Yard Signs” from “Capital City Press.” Again zero details as required by statute. On **PDC Report #100962776** this campaign continued to violate the law by failing to disclose what “printing costs” were purchased on 2/24/20 from “NT Citizens for Schools” for \$805.00 or even what these “printing costs” were for originally. This is a clear violations of **WAC 390-16-037(3) example B** provided. There is no excuse for this failure to be fully transparent or compliant with the statute.

Please note, this is an experienced and veteran group of political folk involved in this PAC. The City of Olympia Mayor – Cheryl Selby is the listed Chair on this PAC. These are experienced people very familiar with the campaign finance laws and reporting requirements. They are familiar with the PDC complaint process. They are capable of complying with the statute if they want to do so. They just chose to ignore the law this time.

It should also be recognized that if these PAC officers are attempting to conceal sources of illegal funding from the public which would indicate they have chosen to willfully conceal this information from the public for nefarious and very questionable justifications. If this proves to be the case here, these officers could also be sanctioned under **RCW 42.17A.750 (2)(a)**, which could lead to criminal or civil prosecution.

Please let me know if you need any additional information or evidence to support these very clear and obvious violations of Washington State’s campaign finance laws by this PAC.

Best Regards,

Glen Morgan

What impact does the alleged violation(s) have on the public?

The public has a right to know where the funding comes from to start single year secretive PACs like this one. Concealment of the source of the majority of funding from the public is a clear violation of the law. Additionally, the public has a right to know how the money spent on these campaigns is being spent, and concealing the details of these expenditures from the public is also a poor example for experienced political operators to be making.
