Mr. Young and Ms. Townsend:

This complaint is identical to number 73778 that was dismissed by the PDC less than a month ago. The League of Women Voters is a non-partisan organization dedicated to expanding participation in the electoral process. What was linked to from our official Facebook page was not election advocacy. None of the issues that the complainant was able to find by searching the website of the League of Women Voters is a matter of a Washington State ballot measure.
