Tabatha Blacksmith --

Thank you for your patience and forwarding this complaint.

I do NOT pretend to be an expert in all matters of the law, let alone in PDC rules and requirements. I am a "one man show" in terms of my campaign, handling the money, paying bills, submitting PDC reports, etc. I have tried to be as compliant as possible.

Here is the graphic from my Orca software showing my C-4 submission dates, including the comment from the July 28th submission.

I did an update later on.

I did report the "loan" to my campaign of \$10,000. I have not yet attempted any "repayment" of the loan. I appreciate knowing that I am only allowed to reimburse myself for \$6,000 of that loan.

As far as I know, I have documented the "required" fields in all my expenditures, and provided all the required information regarding individuals contributing to my campaign.

If you need any specific information regarding any particular submission, I will be happy to provide it. As you noted, many of these complaints were already addressed in my response to the earlier complaint.

Here is the graphic showing my C-3 report submissions.
