RE: Payment Case Payment Case #76886

To Whom It May Concern,

Attached is Check #4429 in the amount of \$200.00. This should satisfy the balance owed for supposedly not receiving the attached documents. While I know that I sent these documents previously via standard mail, I did not follow up as I should have. As you are able to see, I have sent these documents certified mail return receipt.

Please note that the notification sent indicates that there is a hearing to participate in, but there is no information that is relevant such as time, place, address, info necessary for connecting to the online hearing or even a correct telephone number to call in. It seems rather ironic that I am in trouble for not getting documents to the PDC in a timely manner, and then the PDC sends a hearing notice to me without the complete and proper information.

Thank you,

Sandy Mesenbrink
