Re: Failure to file C4 Report

To Whom Ever This May Concern;

It was brought to my attention that I did not file the C4 reports. I am a new treasurer and sought help over the phone as I work a full-time job and was unable to attend any training as they are held during normal business hours. I was filing the C3 reports and thought for whatever reason that the C4 report was an annual report. This was unintentional. Now that I know that the C4 reports need to be filed I will file. I am not sure why I didn't know that the C4 needed to be filed monthly but all I can say is it was a miscommunication. The system is not intuitive as it should be for volunteers such as myself. It is very difficult to receive direction over the phone. I am not very computer savvy. I apologize and hope that the party does not get penalized for my lack of knowledge. Please let me know if I can answer any more questions that you may have regarding this issue.

Thank you,

Tamie Maxim
