Good Morning Tabitha,

I did not mean to put this response off until the last second. I got busy and had an "uh-oh" moment this am when I realized it was the 21<sup>st</sup> and my last day to respond.

I reviewed the complaint, though much of it is irrelevant and frivolous as there have been no unreported contributions. I went ahead and registered as a committee as the purpose of the non profit is to help get common sense leaders elected..

I apologize for my ignorance in this matter.

Let me know if you need anything else from me.

Peter
