Tabatha,

I am very sorry about this violation. I am the person who is in charge of my husband's campaign information and I made a mistake. This is the first time that either of us have done any campaigning. My husband was appointed as commissioner in March and is currently serving in that office. That is the reason that I used the term "re-elect". Once we were made aware that the term was incorrect (about two weeks ago), we changed the website, literature and all ads to read "retain". I am very sorry for the mistake. It was simply a misunderstanding on my part and we have taken every action to rectify the error.

Please, let me know if further action is needed.

Thank you,

Howie and Charisse Hambleton
