Hello, I am not sure exactly what you would like? Does the PDC want an explanation?

Pretty simple really, I asked the county prosecutor, Randy Flyckt, if I could endorse on the sheriff's Office Facebook, he said because I am a partisan elected official and Sheriff, I can endorse using this platform and others.

I did post those two things one was not, in my opinion an endorsement, the other clearly was.

The Facebook page is and was set up by me as the Sheriff and it is maintained by me. I do not and have not pushed employees to do any work on any issues pertaining to this. I represent me, the Sheriff.

The post is public and all can respond any way they feel except for foul language and such.

I spoke with the prosecutor again today to clarify and he advised he may have been mistaken. He stated that I should remove the post. I removed one of the posts.

I would like to understand the limitations of the Sheriff cause they differ much from the other elected officials.

As far as I am aware I can wear my uniform to events and such, and I can endorse candidates I feel are in the best interest of the county.

I always try to clear these types of things through the prosecutor prior to doing them.

If this was a mistake I will deal with it, and I am sorry.

As I have already begun by removing the post. If the other needs to be removed I will as well.

Thank you,  
Sheriff Wagner

Thanks for the call today, I appreciate you taking the time to assist in understanding even though there is lots of very gray areas.

I have removed the two posts in question. I will look to your office for further guidance in the future.

Thank you again for your time and assistance.
