I am in receipt of the complaint for an overpayment to Friends of Ron Muzzall.

We were not aware that Skagit County Republican Party had also donated \$10,000 shortly before our contribution of \$25,000.00. We have received a refund of the over the limit donation in the amount of \$13,595.00. This should resolve the situation without any further problems. A copy of the refund from Friends of Ron Muzzall is attached for further proof.

We are sorry for the confusion and will continue to make sure this doesn't happen again.

If you have further questions, feel free to contact me.
