Dear Tabitha,

Thank you for bringing this to my attention. Please accept this email as my formal response to PDC Case Number 78804.

The link in the text message in question directs recipients to my campaign website homepage. That page has now been updated to clearly disclose the sponsor identification *Paid for by Friends of Justin Raffa* as well as the full campaign address of PO Box 1815, Richland WA 99352 listed at the bottom of the page. I apologize for this accidental oversight and appreciate the opportunity to make this correction.

My party affiliation is listed at the top of the website homepage in the graphic logo for *Elect Justin Raffa* as the image of the donkey to represent the Democratic Party. This was in place at the time that the text message was sent.

Please let me know if you require any additional information or clarity from me regarding this matter. Thank you for the work you do to maintain the integrity of our elections across Washington State!

Sincerely,

Justin Raffa
