In regards to PDC Case #78831

Some of the pictures mentioned were taken from my personal collection and were meant to show my background from many years ago. The remaining pictures that were noted, I purchased from the Senate and have email correspondence from Senate counsel stating the long standing Senate ethics policy that if you purchase a picture it is yours to use. None of the pictures effected the outcome of the election, I lost by a significant margin. Out of an abundance of caution I removed the pictures less than 24 hours after receiving a copy of the complaint. Should you have any questions please contact me.

Regards,

Sharon
