Please see response to PDC Case Number 78947:

Allegation: Alleged violation of RCW 42.17A.320 for failure to identify sponsor ID and address on the mailer.

Thank you for bringing this to our attention. The return address was inadvertently left off of the mailing label. The sponsor ID is included on the mailer as "Committee to Elect Gary Edwards" and identified Gary Edwards as a candidate for Thurston County Commissioner. Since the October 8 complaint, we have updated the PDC information to reflect "Committee to Elect Gary Edwards" as the sponsoring committee and should be available for the public access.

We will be sure to include the mailing address in any future campaign mailings.

Thank you

Gary Edwards
