| Complaint Description |
| <p>Josalun (Wed, 21 Oct 2020 at 2:43 PM)</p> <p>The C-6 independent expenditure forms that have been filled do not go into the detail that is required. There were text messages sent and calls made against Ann Rivers and the description on the C-6 that was filed stated "Auto Contact" which could mean any number of things. The Committee to Hold Elected Officials Accountable has reported two different times they "auto contacted" using a vendor out of Oklahoma City called "Call Multiplier.com" but the description is not sufficient. There have been multiple text messages and calls. This should be made more clear on the report.</p> |
| What impact does the alleged violation(s) have on the public? |
| The Public needs to be able to trust that "The Committee to Hold Elected Officials Accountable" is also held accountable. Just because they call themselves "The Committee to Hold Elected Officials Accountable" does not mean that they have the right to do what they please. |
