This is the entire activity of Preserve Mukilteo PAC.

I released the postcard PreserveMukilteo_v6 for mailing to all Mukilteo households on May 11, 2020. I attach v5 and I am still looking for v6 but they are quite similar.

I paid two bills with personal checks:

1. postage \$1675.41
2. pay for design to Design&Graphics \$3333.45

I attempted to report these two personal checks on Orca.

I was told by a fellow citizen A that I needed to show some funding for the \$5000 expenditure so I added a personal bank account. Later I was told by citizen B that I didn't need to show funding since I was using personal funds. I tried to call the PDC for a remedy but I didn't follow through.
