<b>What impact does the alleged violation(s) have on the public?</b>
Received a large card in the mail today stating that Rep Orwall has sponsored HB1465 which will force me and my family members to sell the family business and/or our home to pay the death tax. Not only is the mailer a gross misrepresentation of the bill, it does not identify who produced and paid for the mailer.

# STOP HB 1465 (THE DEATH TAX)

This bill will force you and your family members to sell the family business and/or home in order to pay the 40% (*Almost Half*) taxes when you or a parent dies making it nearly impossible to ever pass on any real value to your children. *Washingtonians will be forced to sell their home just to pay the taxes!*

**Call Tina Orwall now at**

and tell her to **STOP HB 1465** and to  
**quit sponsoring bills like this!**
