<b>Complaint Description</b>
<p>Lawrencemgoldman (Thu, 25 Mar 2021 at 5:46 PM)</p> <p>This is an anonymous mailer making strong claims opposing HB1465. It is hard to judge these claims without knowing who is making them and who is financially supporting the effort. My understanding as an average citizen is that these sorts of mailers need to include sponsor information. Thank you for looking into this.</p>
<b>What impact does the alleged violation(s) have on the public?</b>
Anonymous mailers making broad claims make it harder for the public to understand and trust what state government is doing.
