Hi Tabatha,

Below are the responses to your questions regarding Mr. Broughton's PDC complaint. Please let us know if there's any other way we can help.

How and where did your campaign obtain the photographs that are posted to your reelection campaign website at <https://www.reelectgregwheeler.com/>? All of the photos used on the website were obtained from the candidate, his family, his supporters, or photographers paid by the campaign. They were received via social media/tagging and email.

Who took the photographs at the ribbon-cutting and city-sponsored events (e.g. city staff, news media, family member, friend, etc.)? Photos at the ribbon cuttings and city-sponsored events were taken by friends of the candidate and the candidate's wife. Many of these people share their photos with the City of Bremerton for social media use as well.

If the city took the photos, how did you obtain them from the city? Did you request them directly, obtain copies from the city's website, or some other method? The City did not take the photos. The City of Bremerton does not employ photographers and no City employee was directed to take photos for the campaign.
