First you have my NAME wrong, If you review your records my name is C Davis. Please use my correct name.

Second I don't see "specific" charges. I see a long of mixed up information from the public portion of the PDC data. If you want to put this in individual changed I can refute them one at a time, as I have all records.

Also not that William Bisson was a part of our movement and attempted a hostile take over, also stole MANY of our signs, yes I can prove that). his report is a form of harassment.

I am happy to compile with what ever information you need.

thank you

C Davis

I would like to add: "I have had another lady contact me with a 600 dollar check" but there is NO copy of any such check in his statement, nor is there a name or a date. But I can say that we have NEVER receive a check for \$600 from ANYONE at any time.

C. Davis,

Thank you for your response. This complaint has been assigned to me for further review and disposition. I will be your point of contact moving forward.

You have the option of refuting each individual item in the complaint sent to you by colleague Tabatha Blacksmith. More specifically, I would like you to address the alleged missing donation of \$300 (check# 10868) from Julie Bacus.

Let me know if you have any questions in the interim.

Thank you.

Sincerely,

I am looking into the Bucas check. The check is in the ledger and was deposited as you can see. I am not sure why I can't find it in the c3's but I am still looking for it.
