Good afternoon Tabatha:

Thank you for contacting me. FMSGs has never represented the NWCUA, the Northwest Credit Union Association.

The NWCUA has never been a client. This is a false report, please advise Mr. Morgan. You may also verify this by contacting Jennifer Wagner at NWCUA or referring to their reports.

My cell is [REDACTED].

Please contact me at any time!

Tabitha:

I just spoke with a Representative at the PDC and let him know that report was submitted and published by mistake. My L1 was not updated to reflect that my last day of lobbying for NWCUA was May of 2018. From June to September, I performed educational services. I left the employ of NWCUA, and they hired a new great lobbyist.

The intent was not to publish an old report from three years ago; I'm highly trained in ethics. The objective was to delete the report. I have previously worked with Brian to delete or unpublish inaccurate information. This was clearly a technical error. The report should not be published. I was also made aware that the PDC shows me registered for NWCU through December of 2018. This is also incorrect. I did not work for NWCUA in December of 2018. However, to avoid any more errors, I don't want to make any changes to the reports without speaking directly with a compliance member. My goal is to make sure it's done correctly.

I'm happy to speak with you. My cell [REDACTED]
