RE Complaint submitted by Conner Edwards, Treasurer of Martin Moore's campaign

Telephone number 425-533-1677

Mr. Young

Thank you for reaching out to me regarding the complaint filed by Kurt Young. When I received the complaint, I reached out the PDC help line and was able to get my paperwork refiled and submitted correctly. The staff was very helpful and walked me thru how to file the reports. The staff member was able to find the reports in the ORCA system but unfortunately, I had not correctly submitted the paperwork, so it showed up as unfiled.

The PDC staff helped me correct the way The campaign reported the dollars that were used to fund my campaign. I personally funded the campaign with no campaign contributions.

During the time in question, I had a medical procedure which added a little over a week of time to the tardiness of the filing.

Now that I understand how to work with in the ORCA system and can properly send the required documents, I believe all issues have been resolved.

Thank you again for your assistance and the help of your organization, which allowed me to make the corrections required.
