RE: PDC Case Number #98137

Dear Ms. Townsend,

We are in receipt of your email dated September 8, 2021 regarding a complaint filed by one of Leslie Lewallen's former political competitors, John Svilarich. PDC Case #98137 involves an allegation of violations relating to RCW 42.17A.235 & 240 by failing to timely and accurately disclose political advertising expenditures undertaken by our 2021 Campaign.

Response: We have reported all contributions and expenditures for this campaign in a timely manner, including all expenses for websites, signs, door hangers, and direct mailers, via C-4 submission as required by law. You should already be in possession of those C-4 filings, but we have attached them here for your convenience.

Please let us know if there's anything else you need from us.

Sincerely,

Brian Lewallen  
Treasurer  
Friends to Elect Leslie Lewallen
