<b>Complaint Description</b>
<p><b><u>Don Britain</u></b>  (Fri, 1 Oct 2021 at 6:12 AM)</p> <p>We Want Accountability PAC 2021 failed state "No Candidate authorized this ad and that it is paid for by (name ,address, city and state)" and failed list it's top 5 donors in all radio ads it paid for during the 2021 Kennewick City Council Primary election between 7/21/19 through 8/3/2021. By not listing it's top 5 contributors, We Want Accountability PAC 2021 is not following it's own name title, and is intentionally hiding the names of it's contributors and intentionally deceiving the public of the transparency it deserves.</p>
<b>What impact does the alleged violation(s) have on the public?</b>
<p>The public has the right to know who is contributing to election campaigns in Washington state and that campaign finance disclosure deters corruption, increases public confidence in Washington state elections, raises the level of debate, and strengthens our representative democracy. By not listing the top 5 contributors, We Want Accountability PAC 2021 is not following it's own name title, and is intentionally hiding the names of it's contributors and intentionally deceiving the public of the transparency it deserves. The public deserves the right to know by name who is paying for these advertisements. One of the cornerstones of Washington state's campaign finance disclosure laws is the requirement that political advertisements disclose the sponsor and the sponsor's top five donors. Many political action committees have avoided this important transparency requirement by funneling money from political action committee to political action committee so the top five donors listed are deceptive political action committee names rather than the real donors.</p>
<b>List of attached evidence or contact information where evidence may be found</b>
<p>I have attached a list of the contributors to the We Want Accountability, PAC 2021, showing contributors who have contributed over \$1000 individually or by entity(ie a family) to include Bob and Shirley Fowler \$2035, Mike and Lara Shemali, Austin Shemali, and Darian Shemali \$2625, and Jerry and Renette Martin \$1000.</p> <p>I have submitted an "Issue(non candidate) Advertisement Form that Jerry Martin, secretary for We Want Accountability PAC 2021, signed and submitted on behalf We Want Accountability PAC 2021 to run these ads. This obviously is not the correct form as the ads are specifically being ran as candidate ads.</p> <p>In addition I have provided We Want Accountability PAC 2021 expenditure report showing payments of \$2384 to Cherry Creek Media and Townsquare Media to run radio ads in the Kennewick City Council primary election.</p> <p>These forms come directly from the PDC filings of We Want Accountability PAC 2021</p>
<b>List of potential witnesses with contact information to reach them</b>
<p>Charlotte Benjamin, Treasurer We Want Accountability PAC 2021  Spokane Valley, WA 99206</p> <p>Jerry Martin, Secretary We Want Accountability PAC 2021  Kennewick, WA, 99337</p> <p>Vincent Rundhaug, Chairman We Want Accountability PAC 2021  Grangeville, ID 83530</p> <p>Washington State PDC</p>
