Hello,

I am Tosh Sharp and I have been identified as in violation of a PDC rule. I did not realize that I needed to place "Paid For" on the actual mailer. I normally have my literature done through another printer and this mailer was done with a new printer. So it totally slipped my mind.

My intent with this mailer was to express my campaign message and also assist my friend with his campaign by dividing the cost equally between us. I honestly didn't know or try to deceive anyone in creating this mailer. My friend, Dennis Martinez, is trying to keep his costs down and I was trying to help him out.

I sincerely apologize for the confusion and the honest mistake on our part. Let me know what I need to do to make it right. As far as correspondence via mailer I will make sure that information is present going forward. The number of mail lit on my dual mailer was approximately 2,900 pieces and the invoice will be forwarded to my treasurer and the this charge will be captured and added to my PDC report.

If you have any questions, or need financials, please contact my treasurer Andy Lo, who is CC'D on this email and his number if needed, 206-335-8815. Let me know if you require anything else from my campaign.

Thanks,

Tosh Sharp
