Complaint Description
<u>Lillian Randy Slovic</u> <i>(Thu, 28 Oct 2021 at 9:03 AM)</i> <p>The We Want Accountability PAC has contributed thousands of dollars in radio ads to three candidates without reporting who benefitted from the independent expenditures. If the PDC has reached out to them, as I was told, to have them report the beneficiaries of the Independent Expenditures, then they are ignoring the PDC.</p>
What impact does the alleged violation(s) have on the public?
<p>A large amount of money for this area was spent on radio ads for three candidates -- John Trumbo who is a mini filer, Gretl Crawford and William McKay. The PAC is required to report who they spent the money on so the voters will have the information. I was told that the PDC had contacted the PAC about their violation. However, to date, they still have not listed the beneficiaries of the independent expenditures.</p>
