I am responding regarding case number 102707 on behalf of Jennifer Mason (campaign Vote Jenn Mason) as her treasurer for election year 2021.

We have amended three C4 reports to include the count of mail pieces in our expenses.

09-01-2021 thru 10-11-2021

10-12-2021 thru 10-25-2021

10-25-2021 thru 11-30-2021

I trust that additional information will bring us into compliance with the requirements for expense reporting of political advertising.

As for Mr. Morgan's other preoccupations, the voters had a chance to weigh the values of both candidates in the general election and made their collective decision.
