Complaint Description
David Miller 14 Jul 2022 at 4:01 PM I believe the City is promoting the passage of a ballot proposition in violation of state law. I believe that their efforts are biased and not purely informational. Positive opinions are expressed in an official publication. The salaries of the authors promoting the benefits of a new City Hall and Civic Center are paid by the City. No staff is paid to and no part of the City Scene promotes the opposition to the bond or Civic Center/City Hall.
What impact does the alleged violation(s) have on the public?
The use of the city's newsletter (City Scene) to sway voter opinion and to encourage only the benefits of a positive vote and not allow an opposition statement in the publication is I believe a miss use of public funds. I do not believe the City Scene, an informational publication, should only give information supporting a positive vote on the Bond Proposition on the August ballot.
