<b>Complaint Description</b>
<a href="#">Arthur West</a> (Sun, 20 Nov 2022 at 5:33 PM)  SEIU Lobbyist Lindsey Grad failed to report lobbying the Redistricting Commission on her November, 2021 L2 form, which state that 100% of herb lobbying activities were directed too the Legislature for health care issues, and 0% was directed to any State agency. These representations were incorrect. (See PDF images, below, at Page 7-8)
<b>What impact does the alleged violation(s) have on the public?</b>
It allowed secret lobbying impacting voting rights.
<b>List of attached evidence or contact information where evidence may be found</b>
1.) Declaration Re Unreported SEIULobbying, 2.) PDF images of Communications (see page 7-8) between Lindsey Grad and Redistricting Commissioner April Simms, and 3.)
<b>List of potential witnesses</b>
Lindsey Grad, April Simms, House PRA staff.
<b>Certification (Complainant)</b>
I certify (or declare) under penalty of perjury under the laws of the State of Washington that information provided with this complaint is true and correct to the best of my knowledge and belief.

1 Appended to this declaration as Exhibit II are additional records recently  
2 produced by the Legislature that include communications between WSRC  
3 Commissioner April Simms and Representatives Fitzgibbon and Jinkins.

4 These records were also not identified or disclosed by the Redistricting  
5 Commission in response to the records request that forms the basis of this case.

6 Appended, as Exhibit 3 is the L2 report filed by SEIU Lobbyist Lindsey  
7 Grad with the PDC for November of 2021, available online at <https://accesshub.pdc.wa.gov/node/85289>.

8 Significantly, despite the lobbying activity evident in Exhibit I, this L2  
9 report fails to include any reporting of Ms. Grad's lobbying relating to the  
10 Redistricting Commission. Instead, the L2 states that 100% of this lobbying  
11 activity was lobbying the Legislature in regard solely to health care issues, and  
12 states that 0% of lobbying activity was directed at state agencies. (See L2 Report,  
13 at page 4)

14 RCW 42.17.615 provides, in pertinent part:

15 (1) Any lobbyist registered under  
16 RCW 42.17A.600 and any person who lobbies shall file  
17 electronically with the commission monthly reports of the  
18 lobbyist's or person's lobbying activities...

19 (2) The monthly report shall contain:...

(d) The subject matter of proposed legislation or  
other legislative activity or rule making under  
chapter 34.05 RCW, the state administrative procedure act,  
and the state agency considering the same, which the  
lobbyist has been engaged in supporting or opposing during  
the reporting period, unless exempt under  
RCW 42.17A.610(2)...

It would appear that the failure of the Commission to identify or produce  
their own Commissioner's extensive backroom communications with Lobbyists or

1 Elected Representatives obscured the actual nature of the “Circus” (See Exhibit 1,  
page 2) performance of the WSRC that the SEIU Lobbyist so accurately describes.

2 Further, the Commission’s silent withholding of these records under the  
3 Public Records Act also facilitated secret lobbying of the WSRC in regard to their  
4 proposed redistricting maps that took place outside of the public’s view in the  
5 apparent absence of the reporting required by State Law RCW 42.17.615, the  
6 lobbyist reporting section of The Washington State Public Disclosure Act<sup>2</sup>.

7 Unreported and concealed lobbying activities of a well-financed<sup>3</sup>, influential  
8 and powerful organization such as the SEIU in the redistricting process should be a  
9 matter of legitimate concern regardless of whether one agrees with the majority of  
10 their progressive agenda. The concealment of this type of back room activity in  
11 regard to redistricting does not serve the public interest regardless of what private  
12 goals a wealthy and influential lobbying organization may be attempting to further.

13 I certify the following to be correct and true under penalty of perjury of the  
14 laws of the State of Washington. November 14, 2022, in Olympia.

2 The Public Disclosure Act, enacted by popular Initiative 276 in 1972, originally included what is now separately codified as the Public Records Act.

3 By coincidence, the L2 Report for November, 2021 filed by Ms. Grad with the PDC shows, under the contributions section, donations of over \$85,000.00 to candidates on that same day of November 15, 2021.

It was clear you have successfully connected with Brady. I'm sure it's hard to resist Jamie but Jamie is using an old lawyer tool: speak with absolute authority about your opinion even if it's only opinion.

Quick update: Sarah Augustine is planning to release the maps and a press statement approx 6. Despite my emotional attachment to this map and the effort that went into producing it, '3 out of 4 commissioners agree' doesn't quite have the same ring to it.
