To whom it may concern,

It has recently come to my attention that Washington Against Discrimination Everywhere (WADE) PAC has violated a wider spectrum of Washington State's campaign finance laws (**RCW 42.17A**) than I originally realized. I will clarify these violations as follows:

1) Improperly and Illegally attempting to file a final report (Violation of RCW 42.17A.235 (11)(a))

A recent report filed by WADE PAC purports to indicate at the bottom that it is the committee's final report (See **PDC Report #110147410, attached for staff reference**). This report claims to cover January 1, 2023 to April 30, 2023.

However, according to **RCW 42.17A.235(11)(a)** it states:

"When there is no outstanding debt or obligation, the campaign fund is closed, the campaign is concluded in all respects, and the political committee has ceased to function and intends to dissolve, the treasurer shall file a final report."

This statute appears to be very clear, however as of today, it appears there is still very clearly at least one investigation into WADE PAC still active at the Public Disclosure Commission (**See PDC Enforcement Case #121957, complaint attached for reference**) and based on recent correspondence that I have uncovered in a public records request (see **pgs 201 to 232 that I have also attached for staff reference**), this clearly indicates that Toussaint Myricks (claiming to be an attorney) is still engaging in written and telephonic correspondence with PDC staff on that case. Assuming Mr. Myricks typically charges for such correspondence in relation to legal matters, this would be reportable as an in-kind contribution (assuming others are paying for his legal services), or perhaps as a debt (if he is running up a legal bill on behalf of this shady PAC), or even just in-kind contribution if he is donating his expensive legal expertise to WADE PAC as pro bono charity work. **While Mr. Myrick's activity is ongoing (and, for the record, illegally not reported on any C4 yet filed), filing a final C4 would appear to be improper and illegal for this PAC at this time.**

2) Misreporting date of \$25,000 in-kind contribution, late reporting of same (by years), and failing to properly describe (Violation of RCW 42.17A.240)

By the treasurer's own admission on the C4 (**PDC Tracking C4 Report#110133101, attached for staff reference**), this \$25,000 in-kind contribution was received on 7/31/2020, but was illegally and apparently falsely reported as being "received" on 1/1/2021.

If, in fact this crew had actually "received" this "in-kind" contribution on 1/1/2021, then the C4 report where it was disclosed was approximately two years late (covering calendar years 2021, 2022 until it was finally, belatedly, and with absurd pressure from the PDC to convince these guys to actually be honest and report the truth for a change – late reported on January 12, 2023). If any of this final version of this large, in-kind

contribution is accurate now, it took two years to report, which is a significant violation of the statute on its own.

However, dissatisfied with just flagrantly violating the law by concealing the truth for years, this crew decides to conceal what the heck this \$25,000 thing was. Seriously, what the heck was this “in-kind” contribution? There are literally no details provided despite the clear requirement in **WAC 390-16-037** to do so. **What the heck “service” or “good” was provided “in-kind” for \$25,000? This is just campaign basic 101 reporting, and still, after years of drama and dragging it out, this large, shady PAC is still concealing the truth from the public about this.**

3) Falsifying Officers Identities and apparently stealing true identities of non-officers and then representing them as officers (Violation of RCW 42.17A.205(2)(c))

This is not a violation I catch a PAC (even the most dishonest and shady groups) committing very often. I don’t know why I am shocked about this, judging everything else this crew has been caught doing, but this one still stands out a bit to me as a uniquely illegal and particularly nasty violation of Washington’s campaign finance laws because it requires the organizers of this PAC to just falsify a document from inception and drag innocent people into the mud of campaign finance violations with the rest of this crew. Innocent people are harmed by this type of activity, yet this appears to be commonplace behavior by these guys.

Dr. Lynn French was improperly named as an officer of this PAC. This was made very clear in an email uncovered in a recent public records request I sent to the PDC (See pg. 181, attached for reference). I will quote from her email:

"This is to confirm that I along with the members of my family, Diane and Ajene French, as well as my business entity, Global Business Development, LLC, are not and have never been members of the Washington Against Discrimination Everywhere (WADE) committee. I, my business, and the members of my family are more than willing to provide notarized, sworn affidavits attesting to the fact that we were never members of WADE."

It isn’t clear why WADE PAC would do this to innocent people who don’t want to be associated with their illegal activity, but this is clear evidence they did it anyway.

4) Failure to timely/accurately update C1PC and update change of officers (Violation of RCW 42.17A.205)

In addition to all the other violations this PAC seemed intent to commit while plaguing our state, their treasurer, Abdirahman Mohamud, CPA indicated in writing that he resigned as campaign treasurer on or around early 2021. However, no amended C1PC form was filed indicating who the new treasurer actually was after that point. Based on the correspondence with the PDC ongoing to this day, it appears that Toussaint L. Myricks may have taken on this role.

I have attached the C1PC that is currently on file for this PAC, and it is substantially out of compliance with the law. Dr. Lynn French is still listed (falsely) as an officer, even though she never was. The Treasurer resigned years ago as indicated in the email I’ve attached, and Myricks has not properly identified himself as the guy doing the dirty work for this group and acting as treasurer as well. Clearly this is way, way out of compliance and this group needs to file an updated C1PC to become minimally compliant in this way.

5) Failure to report services from treasurer as in-kind contributions (Violation of RCW 42.17A.235, .240)

As I was trying to sort out who was actually running this PAC, and reviewing the records request, it became clear that this crew was concealing the expenditures related to the treasurer in their expenditure (C-4)

reports. As you will note in the same email (**page 183 of the recent records request I received, I've attached this for staff reference**), I will quote:

"Dear Alice,

Thanks for your time to speak to me last week about this alleged violation. As the attached engagement letter highlights, I was hired to be the Treasurer of Washington Against Discrimination Everywhere (WADE) on June 1, 2020. The scope of my work and the fees for each month is also in the attached engagement letter."

This information from this treasurer indicates that he did receive payment for his services (he quoted them – although we don't have a copy of those fees in the records request documents). However, these fees were not disclosed as either in-kind contributions or unpaid debt or anything else. I'm just presuming based on the shady off-books and illegal activity by this group that the most likely representation of this information would be as an in-kind contribution and this PAC must go back and correct this information so that the public can know the truth here.

6) Failure to accurately identify treasurer on C4 reports. Filing sworn, legal documents under false aliases to the Public Disclosure Commission (Violation of RCW 42.17A.145)

It has actually been years since I last caught someone falsely representing someone else and filing reports (sworn, legal documents) to the Public Disclosure Commission. I believe the last one was in **PDC Enforcement Case #15599**, which of course, the Washington State Attorney General brought as a lawsuit and found the person doing this personally liable at the time.

As indicated above, the original admitted treasurer for this WADE PAC named Abdirahman Mohamud, CPA) reported that he resigned sometime before April 2021. However, his name appears at the treasurer who is certifying the reports subsequent to this resignation (**See PDC Reports #110133101, #110147410, and #110147409 as examples**).

This is clearly improper, illegal and a clear example of lawbreaking committed by this crew. In this specific violation, it may be more accurate to recognize that these documents appear to have been filed, falsely, using the identity of the resigned treasurer by Toussaint L. Myricks, who claims he is an attorney. It would be worthwhile to note that attorneys are not exempt from following the law, and as officers of the court, they should be fully aware of the legal liability they incur personally by falsely representing in official sworn documents filed with the state that they are someone else. This is very troubling and exceptionally illegal, and a clear violation of the law.

7) Failure to properly account for expenditures. Vanishing campaign funds without explanation (Violation of RCW 42.17A.240)

The last report covering the 2020 campaign was filed on 11/30/2020 (See **PDC Report #110003528, attached for staff reference**). In that report, this shady PAC reported they had exactly \$.01 left in their bank account (See line 18). This was their cash on hand balance. However, the next report covering all of calendar year 2021 was filed on 1/12/2023 and no subsequent expenditures were reported or disclosed.

This would tend to indicate that there was still a \$0.01 balance. Yet, despite this, the report actually indicates a \$0.00 balance. **Where did the money go? Was the line 18 balance reported back in 2020 even remotely accurate in the first place?**

I strongly recommend to the PDC that the only way you can ever resolve this question is to subpoena the bank records and match them to the reported amounts for the respective report years. **It is the only way to be sure.**

8) Multiple reports have been filed late (Violation of RCW 42.17A.235, .240)

This PAC and the crew that bumbled around using it as cover for their illegal actions certainly spent most of their time breaking the law, but in the interest of being semi-thorough, or at least as thorough as it is possible to be considering the information likely still concealed from the public and the inaccurate information reported to the public by this crew, I felt inclined and compelled to point out that multiple reports, when filed, as inaccurate as they may be were also late.

Example #1 – C4 report covering the month of April 2023 was filed 8 days late (**PDC Report #110147410**)

Example #2 – C4 report covering all of 2022 was filed at least 8 days late (**PDC Report #110147409**)

Example #3 – No C4 report has yet been filed to cover the time period of December 2020, yet clearly there was some activity then (in-kind or just vanishing funds)

9) Failure to provide complete details and information (name and address of the vendor – law firm – from which in-kind contribution services (Violation of RCW 42.17A.240)

Clearly, as we have discussed in this complaint and the previous complaint still under investigation with this crew, the name, and address of the vendor – the law firm – from which in-kind contributions services have been procured has not been reported on the C4 report in the in-kind contribution section pursuant to agency guidance. They should be able to get this one right (See **PDC C4 Report #110147410, attached for staff reference**).

I'm optimistic that with enough attorney's involved, some subpoenas of bank records, and a bit of legwork, this PAC can finally, after long last get back into some type of compliance with Washington State's campaign finance laws. I can tell from the correspondence I found in the recent records request I received that this may be something this group does not want to do, but sometimes following the law takes precedence over their schemes and plans to hide the truth from the public.

I'm very concerned that this organization has fumbled along for such a long time so far out of compliance, but there is no time like the present to get them back on the path to becoming legal, at long last.

Let me know if you need anything else from me on this one.

Best Regards,

Glen Morgan

What impact does the alleged violation(s) have on the public?

This PAC has never been honest or truthful with the public. Their violations just get worse every time I look at them. However, perhaps they can at least go back and correct all the reports that are currently fake or false or misleading. This will be a good start for transparency and truth reporting to the public. I rarely catch someone falsely filing documents in other people's names and falsely representing officers that don't exist, but even these issues can be corrected.

Jesse Wineberry is worth finding - even if he appears to be dodging everyone else's phone calls. This shady attorney who seems to be continuing the lawbreaking is worth finding. The subpoenas for the bank records seem critical to even start to get to the bottom of what happened her

Dear Alice,

Thanks for your time to speak to me last week about this alleged violation. As the attached engagement letter highlights, I was hired to be the Treasurer of Washington Against Discrimination Everywhere (WADE) on June 1, 2020. The scope of my work and the fees for each month is also in the attached engagement letter.

The second paragraph in the Engagement Limitation section clearly states that my firm and I will not be responsible for any liabilities incurred and third party contracts entered into by WADE.

I was simply hired to record monthly transactions and report to PDC. I spoke to Mr. Jesse Wineberry several times on this issue and he assured me that it will be taken care of.

I also informed him in early 2021 to find another person to take over the Treasurer role due to my schedule. On April 20, 2021, I sent an email to ActBlue to inform them that I was no longer with WADE and transfer the account credentials to Jesse. Act Blue responded to my request on the same day, informing me that they removed my name from the account and transferred the account credentials to Jesse.

I also informed DocuSign on June 25, 2021 to follow up with Jesse on their invoices to WADE.

I tried to reach Jesse several times but he is not returning my calls or responding to my emails.

I am informing PDC that I am no longer associated with WADE.

I would appreciate if PDC could remove my name and contact information as a Treasurer of WADE.

Please let me know if you have any questions.

I appreciate your help on this matter.

Regards,

Abdi

Attention: Alice Fiman

Dear Ms. Fiman,

This is to confirm that I along with the members of my family, Diane and Ajene French, as well as my business entity, Global Business Development, LLC, are not and have never been members of the Washington Against Discrimination Everywhere (WADE) committee. I, my business, and the members of my family are more than willing to provide notarized, sworn affidavits attesting to the fact that we were never members of WADE.

In regards to the following proposed statewide Initiatives, a summary of my involvement follows:

Initiative 1000: I and my family members were not sponsors, volunteers, or signature gatherers for this Initiative. My wife and I, however, were signers on one of the petition forms in support of the Initiative.

1. **Initiative 1776:** On or about June 5th, 2020, I agreed to be a Co-sponsor for this Initiative (**see email correspondence with the Secretary of State's Office at the bottom of this email**). The filing for this Initiative, however, was never successfully completed.
2. **Initiative 1234:** I agreed to be a Co-sponsor for this Initiative. The filing for this Initiative, however, was never successfully completed.
3. **Initiative 1300:** On or about October 28th, 2020, I agreed to be the Main Sponsor for this Initiative. The filing for this Initiative was successful.

I am happy to confirm in any manner that you deem appropriate and necessary, that I am not and have never been an officer of WADE; and never consented in writing or verbally to serving as an officer, and I have never been directly involved with WADE in any manner. In addition, the events that you mentioned in terms of signature gatherers, it is my understanding that this happened during the I-1000 campaign. I was not involved in the I-1000 campaign. Finally, I was reimbursed \$100 for the filings fees charged by the Secretary of State for I-1234 and I-1300. I have records to verify this information.

I am more than happy to cooperate with you in any manner relative to this concern. Please feel free to email or call at any time?

Dear Mr. Agina:

I write in response to the email notification you have sent to Mr. Wineberry (see below). The complaint filed by Mr. Morgan on February 16, 2023, is completely and flatly baseless and incorrect on its face. The services rendered by my firm to the WADE campaign were NOT services rendered as "in-kind" contributions. Once payment is made, both the \$100 penalty and the legal fee for professional services will be promptly reported on the appropriate reporting form. Therefore, we ask that this complaint be dismissed.

Regards,

Spoke with attorney Myricks at (206) 701- 4737 . He noted that he was not involved in the ballot process and any fees for legal services owed to him is for his work defending the Committee/Jesse Wineberry against complaint 82263. He also noted that the Committee has "closed operations"/filed a final C-4, and any monies owed to him for legal services provided in defense of PDC complaint 82263 will be paid to him by Jesse Wineberry.

Mr. Agina:

Thank you for your time this morning. I greatly appreciate the helpful clarifications you provided during our call.

First, the law firm had no involvement in the campaign or the ballot process led by WADE when it was an active campaign committee. Hence, no legal services were provided on an in-kind basis in furtherance of the prior efforts of the WADE campaign committee as alleged by Mr. Glen Morgan in complaint 121957.

Second, the source of funding for (a) payment of the penalty imposed by the PDC upon conclusion of the adjudicative proceeding held on January 12, 2023, in response to complaint 82263, and (b) the legal fees paid for the representation provided during this proceeding were provided by several private donors not the WADE campaign committee.

As we discussed, please confirm by reply email today that the PDC has officially closed its records on the WADE campaign committee as of January 12, 2023, the date of filing of the last C-4 report. Please also confirm that this email finalizes our required response to complaint 121957.

The Public Disclosure Commission (PDC) staff plans to open a formal investigation in this matter to properly sort out the issues raised regarding the in-kind contributions received by WADE for legal services rendered by your law firm and for payment of the civil penalty imposed by the Commission upon conclusion of a prior adjudicative proceeding against WADE (PDC Case 82263).

Attached herein is a notice for an Initial Hearing (Case Status Review) scheduled for Thursday, May 18, 2023, at 1:30 PM. Mr. Agina:

In your email dated May 12, 2023, you requested that I provide the following information:

- a. The names of private donor contributors;
- b. The amount of contribution made by each contributor; and
- c. The submission of the final set of C-4 reports for 2022 and 2023.

Per your request, attached is the complete list of the private donors who provided funds to offset the legal fees that were required to respond to complaint 82263 and to provide representation for WADE in the enforcement hearing which was held of January 12, 2023. The list includes the name, address, amount of donation, and the date of donation from each donor as required pursuant to RCW 42A.17.240. Also, I wish to again reconfirm that the law firm had no involvement in the campaign or the ballot process led by WADE when it was an active campaign committee.

As you instructed, I contacted the Filer Assistance Unit for help in filing the necessary C-4 reports this afternoon. However, the person I spoke with today, Ms. Ladelle Fuquay, had to leave for the day but asked that I contact her tomorrow morning at 7:30 am so that she could help me complete the filings you have requested. I will be in contact with Ms. Fuquay at that time tomorrow morning and will send you an email message confirming the filing of these reports along with the requested list of private donors.

Once these filings have been completed, please confirm (a) that the Case Status Review which was scheduled for May 18, 2023, at 1:30 will be canceled and (b) that the PDC has officially closed its records on the WADE campaign committee as of the date of filing of these last C-4 reports on May 18, 2023.

Dear Alice,

Thanks for your time to speak to me last week about this alleged violation. As the attached engagement letter highlights, I was hired to be the Treasurer of Washington Against Discrimination Everywhere (WADE) on June 1, 2020. The scope of my work and the fees for each month is also in the attached engagement letter.

The second paragraph in the Engagement Limitation section clearly states that my firm and I will not be responsible for any liabilities incurred and third party contracts entered into by WADE.

I was simply hired to record monthly transactions and report to PDC. I spoke to Mr. Jesse Wineberry several times on this issue and he assured me that it will be taken care of.

I also informed him in early 2021 to find another person to take over the Treasurer role due to my schedule. On April 20, 2021, I sent an email to ActBlue to inform them that I was no longer with WADE and transfer the account credentials to Jesse. Act Blue responded to my request on the same day, informing me that they removed my name from the account and transferred the account credentials to Jesse.

I also informed DocuSign on June 25, 2021 to follow up with Jesse on their invoices to WADE.

I tried to reach Jesse several times but he is not returning my calls or responding to my emails.

I am informing PDC that I am no longer associated with WADE.

I would appreciate if PDC could remove my name and contact information as a Treasurer of WADE.

Please let me know if you have any questions.

I appreciate your help on this matter.

Subject: Initial Hearing (Case Status Review) After Opening a Formal Investigation, Washington Against Discrimination Everywhere, PDC Case 121957

Dear Washington Against Discrimination Everywhere:

After conducting a preliminary review and assessment of the complaint filed on February 16, 2023, by Glen Morgan, the Public Disclosure Commission (PDC) staff opened a formal investigation and held an Initial Hearing (also referred to as a Case Status Review), on May 18, 2023, pursuant to RCW 42.17A.755, and WACs 390-37-060 and 390-37-071.

At the hearing it was noted that the Initial Hearing (Case Status Review) is not an adjudicative proceeding, and that RCW 42.17A.755 provides PDC staff with additional tools to resolve complaints through the use of alternatives to full, formal adjudication, or referral to the Attorney General's Office, and I am encouraging you to work with staff on resolving this matter.

If you have questions, please contact Erick Agina, Compliance Officer, by replying to the email to which this letter is attached.

Treasurer for Non-Existent Committee

Mr. Agina:

As you know, WADE is not an existing political campaign committee. Washington state law does not address the unique situation where committee financial reports are filed after a candidate or political committee no longer exists. As you will see below, RCW 42.17A.210 defines a "treasurer" only within the context of an active candidate or political committee:

Treasurer.

(1) Each candidate, within two weeks after becoming a candidate, and each political committee, at the time it is required to file a statement of organization, shall designate and file with the commission the name and address of one legally competent individual, who may be the candidate, to serve as a treasurer.

(2) A candidate, a political committee, or a treasurer may appoint as many deputy treasurers as is considered necessary and shall file the names and addresses of the deputy treasurers with the commission.

(3)(a) A candidate or political committee may at any time remove a treasurer or deputy treasurer.

(b) In the event of the death, resignation, removal, or change of a treasurer or deputy treasurer, the candidate or political committee shall designate and file with the commission the name and address of any successor.

(4) No treasurer or deputy treasurer may be deemed to be in compliance with the provisions of this chapter until the treasurer's or deputy treasurer's name, address, and electronic contact information is filed with the commission.

Thus, we have fully complied and filed all of the necessary reports and information you required. As requested previously, please confirm by reply email that:

(a) the PDC has officially closed its records on the WADE campaign committee as of the date of filing of these last C-4 reports on May 18, 2023; and

(b) our responses to your requests now finalize and resolve all outstanding issues associated with Complaint 82263 and Complaint 121957.

(CORRECTION) | No Treasurer for Non-Existent Political Committee

Mr. Agina:

As you know, WADE is not an existing political committee. Washington state law does not address the unique situation where committee financial reports are filed after a candidate or political committee no longer exists. As you will see below, RCW 42.17A.210 defines a "treasurer" only within the context of an active candidate or political committee:

Treasurer.

(1) Each candidate, within two weeks after becoming a candidate, and each political committee, at the time it is required to file a statement of organization, shall designate and file with the commission the name and address of one legally competent individual, who may be the candidate, to serve as a treasurer.

(2) A candidate, a political committee, or a treasurer may appoint as many deputy treasurers as is considered necessary and shall file the names and addresses of the deputy treasurers with the commission.

(3)(a) A candidate or political committee may at any time remove a treasurer or deputy treasurer.

(b) In the event of the death, resignation, removal, or change of a treasurer or deputy treasurer, the candidate or political committee shall designate and file with the commission the name and address of any successor.

(4) No treasurer or deputy treasurer may be deemed to be in compliance with the provisions of this chapter until the treasurer's or deputy treasurer's name, address, and electronic contact information is filed with the commission.

Thus, we have fully complied and filed all of the necessary reports and information you required. As requested previously, please confirm by reply email that:

(a) the PDC officially closed its records on the WADE committee on January 12, 2023, and

(b) our responses to your requests now finalize and resolve all outstanding issues associated with Complaint 82263 and Complaint 121957.
