Hi Erick,

I don't see anything that needs amending. This is just a continuation of a harassment issue that Kevin J O'Sullivan and Conner Edwards have been perpetrating for 3 years.

C4's are correct and as you know since then are under the mandatory threshold of \$750 they have been filed more than timely.

On a side note we were blocked from getting on the ballot by the Supreme Court and will be closing the recall. I may need your help to do that correctly.

thank you,

C Davis
