Denny Denholm:

100 percent committed to our kids.

- Anyone can criticize from the sidelines, but Denny has faithfully served our schools for decades.
- He has a proven track record of rolling up his sleeves and getting to work for our kids. And he's not slowing down now.

A voice for everyone.

- Parents, students, and teachers shouldn't be silenced by a few people pushing their own agendas.
- Denny fights for all families in our community and makes sure no one gets shut out.

Puts our kids above politics.

- Scare tactics and fringe politics only divide and damage our schools and community.
- Denny is a proud conservative, but he never wastes our time with political nonsense. He brings people together to make common sense decisions for our kids.

Protect our schools and our hard-earned reputation.
