Tabatha,

Thank you for the extension to respond to the complaint against No on Tacoma Measure 1.

The No on Tacoma Measure 1 campaign (NOTMOC) was formed on September 26, 2023. No funds were received or pledged prior to that time. Thus, the initial filing and subsequent reporting for NOTMOC have been timely.

Staff time contributed in-kind into NOTMOC has been timely and accurately reported.

The complaint is without merit and the responses on file with the PDC from NAR and TPCAR confirm this.

The citizens of Tacoma have, at all times, known who has contributed to NOTMOC and all contributions and pledges have been timely and accurately reported.

I believe this resolves the matter but, if not, please don't hesitate to contact my office.

Thank you.
