I am writing to address the allegations made by Michelle Perry in PDC Case Number 143910.

First and foremost, I categorically deny all of Michelle Perry's accusations. I want to clarify that one of the photos she attached to her complaint was taken at an event hosted by Victory City Church, a local community organization in Sunnyside. I had no involvement with this event, and any suggestion otherwise is entirely false.

I would like to bring to your attention that all the QR codes mentioned in the complaint do not link to my campaign information. They, in fact, belong to another candidate.

I deny all accusations of violating RCW 42.17A.235 and .240. I take compliance with campaign finance laws seriously. My campaign finance reports are up to date, accurate, and submitted. I am fully committed to complying with all regulations.

I appreciate your attention to this matter and want to assure the Public Disclosure Commission that I am fully committed to complying with all campaign finance laws and regulations.

If there are any additional documents or information required from my end to resolve this matter satisfactorily, please do not hesitate to contact me. I am committed to complete transparency and cooperation throughout this process.

Thank you for your understanding and prompt attention to this issue.

Sincerely, Keren J. Vazquez
