1. Please review the Key Dates 2023 webpage and ensure that all required reports have been filed for the period of 6/1/23 - 9/27/23 (<https://www.pdc.wa.gov/registration-reporting/candidates-committees/registration-reporting-basics/key-dates-2023>). Let me know when you think your reporting is accurate.

The reports are accurate to the best of my ability. I thought that in August I had changed to Mini Reporting. I submitted and thought I was done. I found out that the submission did not go through after a newspaper article came out that stated; I was Full reporting. I was quite shocked and called the PDC to ask for clarification about what had happened and why my submission did not go through on their end. I called on September 27th to confirm the switch happened this time. I would have not delayed submitting my contributions and expenditures if I would have known, I was full reporting. I never intended to receive or use more than 7,000 on my campaign.

2. After 9/27/23 you were a mini reporter. From this date forward, how much did you raise in contributions (not including your own funds), how much did you personally contribute to your own campaign, and what was the total expenditures?

I raised no new contributions and I did not spend any of my own money. My total expenditures were \$5,735.05

3. Did you coordinate or attend any fundraising or other election related events with other candidates? If yes, and you used campaign funds to cover costs of the event, please tell me with whom the event was coordinated or hosted by, what was the date of the event, what was the purpose of the event, and what was your share of the costs associated with the event?

I did not coordinate or attend fundraising events with the other candidates. We did collaborate on some events called listening sessions and getting to know the Candidates. The events were coordinated with Jorge Galvan, Vicky Frausto, Keren J Vazquez, Sandra Zessatii, Yasmin Barrios and Maria Fernandez (We are Ella organization), Teodora Martinez (We are Ella) and Chelesa Dimas (Raices). The purpose of the events was to learn our community concerns in regards to city and school board issues and for the voters to learn about our community and school board priorities as Candidates.

Events with Candidates:

My cost:

English Community Listening Session June 29th 2023 : \$16.75

Spanish Community Listening Session July 13th 2023 : \$0

Youth Community Listening Session July 25th 2023: \$308.17

Es to Master Jefe Youth Session September 23, 2023 :\$179.08

School Board Candidates 10/24, 2023: \$0

4. Did your campaign give away prizes and free dinner to attendees at campaign events?

Yes, my campaign was one of the six that gave away prizes and food to those who attended the events.

5. Did your campaign rent the public pool for a campaign related event?

No, my campaign did not use any funds to rent the public pool.

I hope this clears any confusion.

Sincerely,

Anna Saenz
